Proceedings of the Madras Government, Revenue Department, 23rd August 1862.

No. 325. Read the following Proceedings of the Board of Revenue, dated 7th August 1862, No. 5,138 :—

Read again letter from the Collector of Malabar, dated 14th April 1862, No. 77.

(In Cons. 23rd April 1862, No. 2,321.)

Read also the following letter from the same Officer, dated 28th April 1862, No. 83 :—

With reference to the Board's Proceedings No. 2,593, dated 23rd instant, I have the honor to state that the charge* adverted to in my letter of the 14th idem, can be met out of the sum of Rupees 4,800, sanctioned in the Budget Estimate for 1861-62, for Clerks and other servants of the Stamp Establishment.

1. On 26th November 1861, the Collector applied for sanction for the entertainment of an additional Establishment in the Stamp Department, consisting of two Clerks and an Attender at an aggregate cost of Rupees 50 per month. The Board were not satisfied with the grounds of the application, and called for further information on certain points. This was furnished by the Collector, and before the matter could be disposed of, Mr. Grant applied by Telegram for leave to employ two Attenders to mark the stamp papers, so as to enable him to dispose without delay of the Táluq Indents. This was granted as a temporary measure, and the Collector accordingly employed two Attenders, one on 10 Rupees, and the other on 7 Rupees. He afterwards reiterated his request that sanction might be obtained for the employment of the Clerks and Attenders.

2. In their Proceedings dated 20th March 1862, No. 1,852, the Board considered the subject fully, and decided that the employment of additional Clerks for the Stamp Department was quite unnecessary, as no such extra aid was found necessary in any other District. As regards the Attenders also, the Board considered their employment unnecessary, as the work of marking can easily be done by the Attenders and Peons attached to the Collector's Kacherri as in other Districts, and observed that if any assistance is required, one Peon on 7 Rupees will be ample; the Collector was accordingly requested to state whether he still considered the services of any Attender necessary.

3. In replying to this call, the Collector states in the first of the letters above recorded that he has dispensed with the Attender and Clerk previously employed, retaining the services of one Attender only on 7 Rupees; and that he shall endeavour to make the best arrangements he can, with the existing Account and Treasury Establishments for carrying on the duties connected with the Stamp Department. He also requests sanction for the pay of the Clerks and Attenders dispensed with after the final orders of the Board were issued. The amount is Rupees 101-7-8, as shown in the margin, and the Collector states in the second letter above recorded, that the sum in question can be met out of the provision made in the Budget for 1861-62 for the Stamp Establishment. Under the circumstances explained, the Board request that special sanction may be granted for the sum of Rupees 101-7-8 abovementioned.
