*Proceedings of the Madras Government, Revenue Department,
23rd August 1862.*

No. 329. Read the following letter from Captain E. HEMERY, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 11th August 1862, No. 53 :—

SIR,

1 Letter from the District Engineer,
Cuddapah, No. 192, dated 19th June
1862.
1 Plan.
1 Abstract Estimate Rupees 740.
1 Specification.

1. I have the honor to solicit sanction for the accompanying estimate, amounting to Rupees 740, prepared at the request of the Collector of Cuddapah for providing additional accommodation for the Printing Press and Establishment at that Station.

2. The three rooms now allotted to the Printing Department are so crowded with tables for type, &c., that much inconvenience is felt in working the Presses.

3. The expenditure can be met from the amount entered in the Budget for the repair of buildings in the Cuddapah District during the current official year.

Referred to the Revenue Department for consideration.

The Government must decline to sanction this estimate without further explanation of the necessity of additional accommodation for the Press Department of the Collector's office at Cuddapah. That Department is now allowed the use of three large rooms of the dimensions specified in the margin. The first should be ample for the Press room and the other two are sufficient for the four Compositors on the establishment.

Sir,

At the request of the collector, I have the honor to solicit sanction for the enclosed estimate amounting to Rs. 500 for providing additional accommodation for the printing press and establishment at Cuddapah.

2. The business is now carried on in three rooms forming part of an old native building also occupied as a Post Office, Record and Account Department; these three rooms are so crowded with tables for type, that there is hardly room to pass to move about and much inconvenience is felt in working the press.

3. I propose adding a verandah room 26 by 10' 6" as shown in the accompanying sketch and at the request of the Deputy Collector I have entered an item for two wooden barred windows to admit of more light and ventilation in the record room.

I have the honor to be
