## *Proceedings of the Madras Government, Revenue Department, 3rd February* 1862.

No. 34. Read the following Proceedings of the Board of Revenue, dated 23rd January 1862, No. 568:—

Read the following letter from W. BALMAIN, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Fort Saint George, 22nd January 1862, No. 823.

"The original amount provided in the Budget for the contingencies of the Stamp Office as calculated in December 1860, having been more than drawn out under audit, the Civil Auditor objects to pass the Contingent Bill for December last, pending the sanction of the Supplementat Budget now before the Government, and the whole amount of which is still in part undrawn. As the expense connected with the issue of Stamps cannot be stopped without serious inconvenience, and as the sales of Stamps have so much exceeded the Estimate, I beg to request that the orders of Government may be obtained for the same being advanced on a Treasury order pending the sanction of the Supplemental Budget or in any other way in which the Board think the expense may be met. The bill is enclosed.

—

Ordered to be submitted to Government with the Board's recommendation that the Civil Auditor be authorized to pass the Bill for contingent expenses in the Stamp Superintendent's Department for December 1861, amounting to Rupees 246-9-6 as an advance to be adjusted hereafter on the sanction of the Supreme Government being received to the Supplemental Budget.
