I have the honor to forward a copy* of letter from the Officer in charge of the Neilgherry Sholas, by which you will perceive that the Civil Paymaster has retrenched the horse allowance (viz., 15† Rupees permensem) from the two Foresters employed on the Neilgherry Range, because it was not included in the Tabular Statement sanctioned by the Supreme Government in 3rd May 1862. The allowance has always been drawn by the Foresters, and is provided for in the Budget, it was omitted by Major Morgan when Acting Conservator) in the Tabular Statement alluded to, as he considered it as a travelling allowance. May I request that you will obtain the sanction of Government that it may be passed as usual.
