No. 362. Read the following Proceedings of the Board of Revenue, dated 8th August 1862,
No. 5,201 :—

Read the following letter from W. FISHER, Esq., Collector of North Canara, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Madras, dated Honore, 26th March
1862, No. 25.

SIR,

1. I have the honor to submit a Statement of Sadirwarid charges incurred in this District during Fasli 1269, called for by the Board in their Proceedings No. 4,692, dated 13th October 1860.

2. I trust that the explanations given regarding expenditure in excess of sanction will be deemed satisfactory, and that the special sanction of Government may be obtained for charges amounting to Rupees 1,259-3-6, under the circumstances stated below.

3. The total expenditure for the Fasli under review amounted, it will be observed, to Rupees 3,926-10-4.

4. From the commencement of the Fasli to 31st December, that is during the last six months of 1859, this District formed part of Province of Canara, but from the 1st January 1860 accounts were opened for North Canara as a separate Collectorate.

5. The Sadirwarid annual sanction for the whole Province granted in 1850 amounted to Rupees 6,282, and the amount for which sanction is now asked has been disallowed by the Civil Auditor, because the aggregate Bills of the two Collectorates exceed the sanctioned allowance for the Province.

6. Of this allowance (Rupees 6,282) Rupees 4,874-7-7 have been absorbed by Canara and South Canara Bills, leaving but Rupees 1,407-8-5 to meet the requirements of this District. Of this amount, Rupees 1,398-15-10 have been passed subsequent to the division of the Province, leaving a small balance, Rupees 8-8-7, to the credit of sanctioned allowance.

7. The following particulars show the several bills unpassed, and the department to which they belong :—

they belong :-

8. The expenditure in excess of sanction has, the Board will observe, been mainly caused by the division of the Province, and the Establishment of the Collectorate of North Canara, though from the more regular submission of the Sadirwarid bills from South Canara in 1860, when this office was hardly organized, and all the servants were more or less unacquainted with their duties, that District seems to have obtained more than a fair share of the sanctioned allowance.

9. The Sadirwarid charges, Revenue and Magisterial from 1st January to 30th June 1860, amounted to Rupees 2,195-8-1, a sum less than half the estimated amount submitted with my letter No. 18, dated 13th June 1860.

*Proceedings of the Madras Government, Revenue Department,
27th August 1862.*

10. A report was made to me by the Deputy Collector in charge of the Treasury regarding the charges for which special sanction is now asked, on the 20th September 1861, but it was returned to him as not containing sufficiently detailed explanation.

11. On a subsequent examination of all the items, errors were detected, and a further, and I regret to say, unnecessary delay has occurred in submitting this report; but the Board are aware of the difficulties in which I have been placed during the late unhealthy season, and will I trust overlook delay which would not have occurred under ordinary circumstances.

ENCLOSURE No. 1.

ABSTRACT.—Statement of Sadirwarid expenses incurred in Fasli 1269.

Submitted to Government with the Board's recommendation that under the circumstances stated by the Collector sanction be granted for the Sadirwarid charges, amounting to Rupees 1,259-3-6 incurred in Fasli 1269, in excess of the sanctioned amount for the entire District of Canara. It will be seen that the excess was caused mainly by the division of Canara into two Districts from January 1860. This letter was forwarded with other papers to the Bombay Revenue Commissioner, Southern Division, on the transfer of North Canara to Bombay Government, but having been returned to the Board for disposal, with the Order of Government dated 28th June 1862, No. 1,414, it has become necessary to submit to Government the letter above recorded, in view to sanction being obtained for the charge, to enable the Civil Paymaster to pass it.

No. 363.

ORDER THEREON, 27th August 1862, No. 1,818.

1. The Board of Revenue submit a letter from the Collector of North Canara with a Statement of Sadirwarid charges incurred in that District during Fasli 1269; and ask sanction for Rupees 1,259-3-6, stated to be the amount spent in the Fasli in excess of the sanctioned allowance for the entire District of Canara.

2. From 1st July to 31st December 1859 North Canara formed part of the Province of Canara, but from 1st January 1860 accounts were opened for the District as a separate Collectorate. The Statement shows an expenditure of Rupees 1,968-0-10 during the first mentioned period, and of Rupees 1,958-9-6 from 1st January to 30th June 1860.

3. The Government observe that the South Canara Statement sanctioned in their Order of 4th September 1861, No. 1,758, included the charge incurred in the undivided District of Canara from May* to December 1859. The expenditure in North Canara from January to June 1860 remains therefore to be dealt with. In paragraphs 6 and 7 of

* Paragraph 2 of letter from Collector South Canara, 26th July, in Revenue Board's Proceedings 14th August 1861, No. 4,434.

the Collector's present letter it is stated that "Rupees 1,398-15-10 have been passed subsequent to the division of the Province," and that Bills from January to June 1860 to the aggregate amount of Rupees 1,259-3-6 remain unpassed. The sum spent during the period just referred to, viz., from January to June 1860, would thus appear to have been Rupees 2,658-3-4, while in the Statement it is given as Rupees 1,958-9-6. If the latter be the correct amount, it is not clear why sanction is asked for Rupees 1,259-3-6.

4. The Statement will be returned to the Board in view to explanation being furnished on the abovementioned points.

(Signed) T. PYCROFT,
Chief Secretary.
