Proceedings of the Madras Government, Revenue Department, 30th August 1862.

No. 428. Read the following letter from Captain E. HEMERY, R. E., for Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 15th August 1862, No. 372/G33 :—

SIR,

1 Proceedings Board of Revenue, No. 5,030, dated 2nd August 1862.
1 Plan.
1 Estimate.

1. With reference to the Orders of Government No. 1,293, dated 7th June 1862, I have the honor to inform you that on the Board of Revenue being addressed, requesting to suggest certain modifications for curtailing and diminishing the accommodation allowed in the plan, for the Táluq Kacheri proposed to be built at Amlapoor in the Godavery District, without rendering the building unfit for the purpose intended, they in reply, as will be observed from Proceedings No. 5,030 dated 2nd August 1862, paragraph 2, herewith accompanying, consider that no reduction in the dimensions of the building can be effected. On the contrary, are disposed to doubt whether the accommodation afforded will prove sufficient for the confinement of short sentenced prisoners.

2. Under these circumstances I have the honor to solicit that the Estimate* forwarded with Colonel Ouchterlony's letter No. 263, dated 11th April 1862, may receive the sanction of Government, the expenditure being met from the Reserve Fund of the current year.

* Rupees 6,290.

Referred to the Revenue Department with reference to the Orders in that Department, No. 1,212, dated 2nd June 1862.
