The Bungalow is one of those to which crockery and furniture were furnished, and occupation fees ordered to be collected. The Bungalow was only in charge of a pensioned Sepoy, who is unable to take care of the furniture, &c. The Bungalow is frequented by many travellers, who greatly felt the want of a servant to assist them, and consequently a Maty was employed as an experiment for six months, and the enhanced fees payable at Bungalows where extra servants are employed, collected. It is found that the fees would leave a surplus after paying the servants. This arrangement will provide for the safety of the furniture and cleanliness of the Bungalow, at the same time adding to the comfort and convenience of Travellers. Under these circumstances a Maty on 6 Rupees per mensem, and a Toty on 3 Rupees are recommended, while the services of the pensioned Sepoy, are to be dispensed with.

ENCLOSURE No. 2.

Memorandum.

1. The charge entered in the accompanying Statement took effect from the 1st April 1862.

2. It has been provided for in the Budget Estimates for 1862-63, under the head "E, "Works of Internal improvement and public convenience, Miscellaneous."

3. The charge was temporary and ceased on the 30th June 1862, the date from which the Beypore Bungalow was taken by Monsieur Hoaran for an Hotel.

4. The Establishment sanctioned for the Manantoddy Bungalow under date the 15th January 1861 was never entertained. The saving may therefore be said to have taken effect from that period, and to appertain also to the head "E, Works of Internal "improvement and public convenience, Miscellaneous."

Paragraph 2.

CALICUT, 16th July 1862.

(Signed) G. A. BALLARD, *Collector.*

1. Submitted for the orders of Government, with a copy of the Board's Proceedings, 26th June 1862, No. 4,108.

2. In their Proceedings of the 10th March 1862, No. 518, Government sanctioned the transfer, to the Beypore Bungalow, of the authorized Establishment* for that at Manantoddy; but as the Civil Paymaster declined to pass the charge, the Board called for a tabular Statement. It appears that the Manantoddy Establishment, though authorized, was never entertained; which may perhaps account for the Civil Paymaster's refusal to pass the charge at Beypore. The servants were entertained at Beypore on the 1st April 1862, and continued to be paid by the Collector till the 30th June 1862, when the Bungalow was made over to Monsieur Hoaran for an Hotel,† so that the charge has already ceased; but as the transfer of the Bungalow is an experimental measure, subject to report after four months, the Board beg to recommend that the Establishment be sanctioned, provision having been made for it in the Budget.

No. 22. Proceedings of the Board of Revenue, dated 4th August 1862, No. 5,049.

Read the following letter from E. B. FOORD, Esq., Acting Collector of Bellary, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 19th July 1862, No. 116.

SIR,

With reference to the Proceedings of the Board of Revenue, No 1,072, dated 14th February last, communicating the Proceedings of the Madras Government, dated 4th idem, No. 187, regarding the Sepoy employed at the Travellers' Bungalow at Yettinhatty, I have the honor to state for the information of the Board of Revenue, that the Sepoy who was employed at the old Bungolaw at Coodathany, was not transferred to the Yettinhatty Bungalow as stated in the 6th paragraph of the Board's letter to Government, dated 28th January 1858, No. 437, which led the Government to think that the necessity for the present application is not apparent, but the Sepoy was transfered from the *old* Bungalow at Coodathany to the *new* one in the same place, as stated in the then Collector's letter* to the Board of Revenue, dated 29th January 1857. Under these circumstances, I beg to request the Board will be pleased to obtain the necessary sanction at an early date to enable the Civil Paymaster to pass the batta of the Sepoy from the 15th September 1860, that Officer having returned unaudited the bills on that account submitted to him for audit.

* No. 11.

1. Ordered to be submitted to Government, with reference to their Proceedings 4th February 1862, No. 187, together with the Tabular Statement received with the Collector's letter, 27th June 1861, No. 118.

2. On referring to the former correspondence, the Board observe that the Collector's explanation is correct, and that they inadvertently stated in paragraph 6 of their letter, 28th January 1858, No. 437, that a Sepoy had been transferred to the Yettinhatty Bungalow from the old one at Coodathany, whereas the fact was that the Sepoy had been transferred from the old to the new Bungalow at Coortany, so that a Sepoy is actually needed at Yettinhatty.

3. In his letter, dated 19th October 1861, No. 186, laid before Government with the Board's Proceedings 7th December 1861, No. 6,810, the Collector stated that he had provided for the charge in the Budget of 1861-62. It is presumed that the Collector has made similar provision in the Budget of the current year; and on this understanding, the correctness or otherwise which the Collector will report, the Board recommend that the entertainment of the Sepoy be sanctioned.

4. As the Government are already aware (Government Proceedings, 30th September 1861, No. 1,883), the Sepoy has been employed at the Yettinhatty Bungalow since the 15th September 1860. Pending the sanction of the Government of India to the Tabular Statement now submitted, the Board recommend that the Collector be authorized to disburse the Sepoy's batta, as an advance to be adjusted hereafter.

Should this however be deemed impracticable, the Government desire to be furnished with the early orders of the Government of India on the points referred to above in paragraph 2.

							Maty has therefore been employed, the services of such a servant being found much required for the convenience of Travellers. The Sepoy is to be dispensed with and a Toty entertained, the services of the latter being much required at the Bungalow. The Maty has to be paid from 1st May 1862, and the Toty is to be entertained after receipt of sanction. The total amount of fees received at this Bungalow for the first six months during which the Maty was employed was Rupees 66.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th June 1862.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Calicut, 12th June 1862, No. 113:—

Dated 15th January 1861, No. 266, and 11th March 1862, No. 1,627.

* Government Proceedings, dated 10th March 1862, No. 518.

1. With reference to the Board's Proceedings, noted in the margin, I have the honor to state that the Civil Paymaster has declined to pass the Pay Abstract of the Cook and Maty entertained at the Beypur Bungalow for last month, remarking that the "Order* quoted does not authorize the "Establishment but merely the transfer. What is required is the sanction of Government duly "confirmed by the Government of India for the entertainment of the Cook and Maty; the number "authorized being already employed." I have therefore the honor to request that the needful sanction may be obtained to enable the Civil Paymaster to pass the charge.

2. Pending the receipt of the sanction however, I request that I may be authorized to disburse the pay due to the servants in advance.

3. Provision has been made for this charge in the Budget for 1862-63, but as soon a M. Horan, who is now in treaty for the Bungalow for an Hotel, completes his arrangements, the Cook and Maty will no longer be required to be paid by Government.

---

1. The Collector of Malabar is requested to submit without delay a Tabular Statement in the prescribed form for the Establishment he requires, as well as the information indicated in the Board's Standing Circular, No. 3,241, dated 20th May 1862.

2. In the meantime Mr. Ballard will continue to disburse the pay of the servants in question as usual.
