Proceedings of the Madras Government, Revenue Department, 4th September 1862.

No. 48. Read the following Proceedings of the Board of Revenue, dated 29th August 1862:—

Read Government Order, dated 23rd August 1862, No. 1,792.

(In Cons. 25th August 1862, No. 5,412.)

1. The Budget Estimates of receipts and charges in the Revenue Department, as submitted to Government by the Accountant General, correspond with those forwarded by the Board to that Officer, with some alterations in the classification of heads. The amount estimated on account of the pay of the village establishment has been properly excluded in the Accountant General's Budget, as no provision was made in the North Canara Budget on that account. A Supplemental Budget will be submitted for this and the establishments of other Districts, as already reported in the Board's letter to Government, dated 23rd August 1862.

2. The Accountant General having included the cost of Police Guards, &c., the Budget estimates as submitted by him are complete, and the Board have no remarks to offer on them. They accordingly resolve to return the estimates received with the Order above recorded in view to the necessary sanction being obtained from the Government of India.
