*Proceedings of the Madras Government, Revenue Department,
4th September 1862.*

No. 50. Read the following Proceedings of the Court of Wards, dated 21st August 1862,
No. 5,529:—

Read Proceedings of the Madras Government, dated 12th August 1862, No. 10, Revenue Department, observing that the application from the Collector of Ganjam for investing Lieutenant Wynch, who is engaged in surveying the Kimeddy Estate, with the powers conferred by Act XXVIII of 1860, should be submitted through the Court of Wards.

(In Cons., 12th August 1862, No. 5,042.)

The Court of Wards see no objection to the Collector's proposal to invest Lieutenant Wynch of the Government Survey Department, now engaged in surveying the Kimeddy Estate, at the Zamindár's cost, with the powers conferred by Act XXVIII of 1860 within the limits of that Estate, and for the purposes contemplated by the Act. In the Court's opinion there is nothing in the Act to prevent such an arrangement in the case of the survey of a Zamindári under the charge of Government or even under the Zamindár's own charge, when the survey is conducted by Government Officers, with Government sanction.
