Proceedings of the Madras Government, Revenue Department, 6th September 1862.

No. 88. Read the following Proceedings of the Board of Revenue, dated 13th August 1862, No. 5,310:—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Calicut, 22nd July 1862, No. 153.

SIR,

Proceedings and Order of Government dated 12th May 1862, No. 1,045, Revenue Department.

1. In reply to the Board's Proceedings dated 17th May 1862, No. 3,202, conveying the Orders of Government noted in the margin, I have the honor to state that all that is requisite to ensure greater progress than in the year under reference, in the sale of the Betutnad escheat, is to afford the Deputy Collector the aid which was usually allowed him in previous years, by detaching a staff of servants from the Hoozoor and Táluq Kacheris, and supplying their places by extra hands paid out of the amount* sanctioned for the work.

* The amount sanctioned in Government Proceedings above quoted is Rupees 1,400.

2. In Fasli 1270, under notice, he had but very little aid of this nature. The Kottium Tahsíldár, as the Board are aware, could not be detached to assist him.

3. The association of a Tahsíldár with the Deputy Collector in the escheat operations, is essential to their advancement.

4. The obstacles which stood in the way of an officer of this grade being provided in the year adverted to, are now so far lessened that I expect to be able to afford him the required assistance in the next season.

---

1. Ordered to be submitted for the information of Government.

2. The Board trust that the Collector will be able to detach the usual complement of servants from the Hoozoor and Táluq Kacheris to the assistance of the Deputy Collector in the current Fasli 1272, but should there be any obstacle to affording the Deputy Collector that assistance which he received prior to Fasli 1270, the Collector will be good enough to bring it to the Board's notice, and submit a definite proposition in time for meeting it, so that the progress of the sales may not be impeded.

3. The Board would be glad to learn what steps are being taken to discover and register the other escheats in the District of Malabar.
