123-124

Dated 8—9—1862

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department, 8th September 1862.

No. 123. Read the following Proceedings of the Board of Revenue, dated 7th August 1862, No. 5,159:—

Read the following letter from E. F. ELIOTT, Esq., Sub-Collector in charge of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 18th July 1862, No. 180.

To Board, 8th January 1861, No. 1.
Board's Procs. of 25th February 1861, No. 1,015.
Procs. of the Madras Govt., 16th March 1861, No. 616

SIR,

1. With reference to the correspondence marginally noted, I have the honor to submit herewith a Statement of charges incurred in the preparation of the new forms of village accounts in Faslis 1270 and 1271 in this District, and to request that the Board will be pleased to obtain the sanction of Government for the expenditure amounting in the aggregate to Rupees 1,041-12-3.

2. The Board will observe that the expenditure in the two Faslis is below the estimated amount authorized to be incurred for Fasli 1270 in paragraph 1 of the Board's Proceedings, No. 1,015 of the 25th February 1861, by Rupees 244-1-9, and Rupees 258-2-0 respectively, the result showing a saving in the Estimate of the two Faslis of Rupees 502-3-9.

ENCLOSURE No. 1.

ABSTRACT.—Comparative Statement showing for each item the amount proposed in the Estimate submitted through the Board of Revenue, under date 6th November 1860, for the sanction of Government and that actually expended in Faslis 1270 and 1271, on account of paper for the preparation of village accounts, &c., in the District of Nellore.

1. Ordered to be submitted for the consideration and orders of Government.

2. The Board of Revenue in their Proceedings No. 1,015, dated 25th February 1861, recommended to Government that the sum of Rupees 1,533-4-4 expended in the Nellore District from Faslis 1267 to 1269 inclusive, in the preparation of the new forms of village accounts, and in printing the District Gazette, should be sanctioned, and that the Collector should be further authorized to incur an extra expenditure of Rupees 772-0-0 in Fasli 1270 for the first mentioned purpose, the details of which were exhibited in an estimate forwarded by him.

Revenue Department, No. 616, dated 16th March 1861.
Do. „ 1,286, „ 28th June 1861.

3. The Government in their Orders noted in the margin, sanctioned the expenditure incurred from Faslis 1267 to 1269, but omitted, apparently through oversight, to notice the Estimate for Fasli 1270. As these extra charges, however, could not be avoided, no provision as Government are aware having been made for such in the standard Sadirwarid Estimates of any of the Districts; the Sub-Collector in charge of Nellore now submits a Statement of the actual expenditure incurred in Faslis 1270 and 1271, amounting in the aggregate to Rupees 1,041-12-3, as shown in the margin, and falling below the estimated amount by Rupees 502-3-9. The Board recommend that the sanction of Government be granted for the extra Sadirwarid charge above mentioned.
