Submitting letters from the Acting Collector of Vizagapatam, regarding the site required by the Military authorities for cantoning a Battery of Artillery at Waltair with the Board's remarks thereon. } (Here enter 7th August 1862, No. 5,137.)

ORDER THEREON, 16th August 1862, No. 1,743.

ORDER THEREON, 29th August 1862, No. 2,970.

1. The foregoing Proceedings contain the report of the Collector of Vizagapatam, on the subject of the acquisition of the land required to carry out the plan proposed by the Commander-in-Chief for housing the Battery of Artillery at Waltair.

No. 1,803, dated 17th May 1862.

2. In the Order of Government in the Military Department, as noted in the margin, Government required that the necessary preliminary inquiries, in accordance with the terms of the Act,* should be made, this has apparently been mis-understood, those inquiries certainly should have included an application † to the owners or Agents of the land and houses in question, for their estimated value of their property, with an intimation that Government would probably resume the land under the Act, in event of their declining to sell. This should now be done under instructions from the Revenue Department, and in event of the owners still declining to part with the property, the course laid down in the Act, for determining the value of the property, must then be adopted, and Government informed accordingly.
