SIR;

1. In his Circular letter of the 5th instant the Inspector General of Mofussil Police request 'that should no obstacle present itself, each Inspector of Police may be supplied with a copy of 'the District Gazette," and thinks "it would be advantageous were a copy supplied to each, "Station House likewise."

2. Copies of the District Gazette are now furnished to the Inspectors of Police of this District. To supply each Station House, 114 copies of the Gazette will be required, that being the number of Station Houses. This will almost double the expenditure at present incurred on account of the District Gazette, the total number of copies at present struck off being 147 only.

3. I beg to request the instructions of the Board on the subject.

Ordered to be submitted for the decision of Government.
