Proceedings of the Madras Government, Revenue Department, 11th September 1862.

No. 171. Read the following Proceedings of the Board of Revenue, dated 25th August 1862, No. 5,610:—

Read again the following letters.

From the Collector of Tinnevelly, dated 2nd May 1862, No. 178, recorded in Board's Proceedings 24th idem, No. 3,364.

From do. dated 18th July 1862, No. 292, recorded in Board's Proceedings 1st August 1862, No. 5,005.

Read the following Official Memorandum from the Officiating Civil Paymaster, dated 5th August 1862, No. 116.

Reply to paragraph 1 of the Proceedings of the Board of Revenue dated 1st August 1862, No. 5,005.

1. There are sufficient savings from the Budget grant for 1861-62, from which the arrears due to the Inámdár can be met.

2. There is also sufficient provision in the Budget for 1862-63 to meet the charge.

1. Ordered that the above letters and Board's Proceedings thereon, together with the Tabular Statement enclosed in the first of the letters, be submitted for the consideration and orders of Government.

2. The Tabular Statement embodies an application for the payment of Rupees 732-1-6 undrawn by a life Pensioner Ramachendra Sastri for a period extending from 12th July 1854 to 31st December 1861, or more than seven years at the rate of 98 Rupees per annum, that amount being made up of four different allowances of 11, 25, 11, and 51 Rupees a year paid by deduction from the Kistbundy Beriz of the District. The pension in question is one of the subsistencer allowances ordered to be limited to the lives of the present holders in Government Proceedings 19th August 1854, No. 972. The Pensioner is a District Moonsiff in the Travancore country, and in reply to the Board's call for explanation as to the cause of the pension having been undrawn for so long a period, the Collector states in his letter of the 18th July that, having in October 1857 ordered his Tahsíldárs to warn the parties affected by the Government Order of August 1854 above quoted, that their pension would lapse if they neglected to receive life Certificates within two years, Ramachendra Sastri appeared at the Hoozoor and was referred to the Tahsíldárs of Nanguneri, Valliyoor, and Bramadesam, with orders to ascertain his identity, as his pension was charged on the revenues of these three Táluqs. The Nanguneri Tahsíldár alone sent in the required Mahazurnamah in December 1857, and the other two Tahsíldárs reported in January and May 1858 that the Pensioner had not presented himself. In 1859, however, Ramachendra Sastri petitioned the Deputy Collector for his arrears, explaining that he had been obliged to return to Travancore in 1857 as his leave had expired, but nothing was done on this occasion. He re-appeared in 1861, and petitioned the present Deputy Collector, who sent his case on to the Collector for disposal in May of that year. The Inámdár next appeared before the Collector himself in April last, upon which the case was submitted to the Board.

Board's Proceedings 7th September 1854, No. 1,889.

3. It thus appears that the delay was partly the fault of the Officers of Government, and partly resulted from the Pensioner's position in Travancore, and under these circumstances, the Board recommend that his arrears of pension be paid to him. The arrears for years prior to 1861-62, do not need to be charged against the Budget provision, and the charge for the past and current years, can be met from the Budget grants of 1861-62 and 1862-63.

4. The Board also recommend the continuance of the pension.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th May 1862.

Read the following Statement from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 2nd May 1862, No. 178, showing the amount of arrears due to the undermentioned Inamdar paid by deduction from the Kistbundy Beriz in the District of Tinnevelly :—.

No. of Certificate.	Name of the Pensioner.	Amount of Pension, &c., per annum.	Date of Government authority.	Nature of the Grant.	Period for which arrears are due.	Total amount of arrears.	Explanation of the cause of suspension of payment.	Remarks of the Board of Revenue.	Orders of Government.
37 38 65 69	Ramachendra Sastry.	11 25 11 51	19th August 1854.	For subsistence.	From 12th July 1854 to 31st December 1862.	732-1-6	This is one of the subsistence allowances ordered to be limited to the lives of the present holders, in Extract from Minutes of Consultation, dated 19th August 1854, communicated with the Board's Proceedings of the 7th September following. The non-payment of the allowance from the 12th July 1854, to the incumbent in column 2 was owing to his absence at Travancore, where he is employed as a District Moonsiff; he appeared at the Huzur and was duly mustered on the 29th ultimo, but as the period for which arrears are due, exceeds two years it is requested that the Board of Revenue will be pleased to obtain the sanction of Government for the payment of the arrears, viz., Rupees 732-1-6, to the Pensioner, and for continuing the disbursement of the Inam as usual.		

1. As Government have recently maintained in several cases the strict enforcement of the rule that Yeomiahs undrawn for four years shall lapse to the State, the Board are precluded from submitting the above Statement to Government without some specific explanation from the Yeomiahdar through the Collector of the cause of his remissness.

Circular Order, dated 2nd October 1813.

2. The Collector in forwarding such explanation will state whether the charge has been provided for in his Budget Estimate, and if not, how he proposes to meet it should the Government not object.

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Tenkasy, 18th July 1862, No. 292:—

1. With reference to the Proceedings of the Board of Revenue, under date the 24th May last, No. 3,364, calling for further information about the arrears of Inam claimed by Ramachendra Sastri, I have the honor to submit the following report.

2. Ramachendra Sastri was enjoying Inams paid by deductions from the Kistbundy Beriz in the three Taluks noted in the margin, and which were limited to the life of the present holder under the orders of Government, communicated with the Board's Proceedings, dated the 7th September 1854.

1. Nanguneri.
2. Valliyoor, and
3. Brummadesam.

3. On the 13th October 1857, orders were issued to the Tahsildars to warn the Inamdars concerned, that if they neglect to receive life certificates within two years, their Inams would lapse to Government. Accordingly the Inamdar appeared in the Huzur the same year with the Tahsildar's Arzees, but was referred back to the Tahsildars with orders* to ascertain his identity, and to send him up with Mahazurnamahs of the village authorities.

* 19th November 1857.

4. The Tahsildar of Nanguneri alone forwarded the required Mahazurnamah on the 14th December 1857, the others having reported* their inability to comply with the requisition on the plea of the non-appearance of the Inamdar.

* Valliyoor, 5th January 1858. Brummadesam, 25th May 1858.

5. In 1859, Ramachendra Sastri presented two Petitions* to the then Deputy Collector praying for payment of the arrears of Inam, and explaining that, in 1857, he was obliged to return to his duty in the Travancore State on the expiration of his leave, in consequence of delay in registering him. But nothing appears to have been done on these P...

* 5th and 12th December 1859.

6. The Inamdar afterwards re-appeared ... the present Deputy Collector in 1861, and his application* was forwarded to me for disposal with the Deputy Collector's letter of the 31st May 1861, No. 530, and on the Inamdar's appearance on the 29th April last, the necessary Statement of application for payment of the arrears in question was submitted to the Board.

* 30th May 1861.

7. With reference to paragraph 2 of the Board's Proceedings under reply, I beg to state that as the Budget Estimate, as regards Pensions for 1861-62, was prepared by the Civil Paymaster, it should be ascertained from that Officer, as to whether he has made sufficient provision for such charges.

---

1. Forwarded to the Officiating Civil Paymaster for early report, with reference to the last paragraph of the Collector's letter.

2. The arrears for years prior to 1861-62 do not need to be charged against the Budget provision. The reference is limited to the charge for the past, and current years, the annual amount being Rupees 98.
