Proceedings of the Madras Government, Revenue Department, 12th September 1862.

No. 181. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to the Secretary to Government, Revenue Department, dated Fort Saint George, 27th August 1862, No. 180 :—

SIR,

In their Standing Circular No. 3,851, dated 16th June last, the Board of Revenue have ruled that in all cases in which the highest bidding for lands put up for sale in satisfaction of arrears of Land Revenue, may not amount to the Government demand on them, they should be purchased by the Collector for an amount equal to the arrears of Revenue on behalf of Government and the proprietary right secured; they further ordered that the sale proceeds should be credited to the Revenue demand, and the purchase money debited under the proper head. As references are now being made to me by Collectors as to the head of account under which such charges should appear, I have the honor to state for the information of Government that no provision has been made for the purchase of land in the Budget Estimates, and that, if the course laid down by the Board be approved of by Government, the Board should be requested to call upon all Collectors to furnish estimates of these payments for submission to the Supreme Government, as at present they cannot be admitted in the accounts of Collectors.

No. 182. ORDER THEREON, 12th September 1862, No. 1,943.

Resolved that the Board of Revenue be requested to report how they would propose to meet the difficulty connected with the Budget pointed out by the Accountant General.

(Signed) T. PYCROFT,
Chief Secretary.
