ENCLOSURE No. 1.

ABSTRACT.—Extract from the Register showing the Inams in Ponnoor Taluk of Kistna District.

1. Ordered that the above Statement of lands proposed to be given to village officers in the Kistna District, in lieu of their Inams which have become unprofitable or have been taken up for public purposes, be submitted to Government with the Board's recommendation that the fresh grants proposed be sanctioned as the original Inams, where they have not been altogether taken away, have become uncultivable from causes beyond the control of the holders as explained in paragraph 4 of the Statement.

2. The extent and value of the original Inams, and of those proposed to be given in exchange, as well as the offices to which they are attached respectively, are as follows:—

Description of Inam.	Original Inam.				Proposed Inam.			
	Extent.		Value.		Extent.		Value.	
	A.	G.	RS.	A. P.	A.	G.	RS.	A. P.
1. Vettyans...	21	24	16	0 0	10	32	16	0 0
2. Shroff...	7	6	7	15 9	7	6	7	15 9
3. Vettyans...	12	24	13	13 0	7	22	14	10 0
4. Kandrika...	51	4	51	0 0	38	7	38	1 0
Total...	92	18	88	12 9	63	23	76	10 9

3. The difference of 13 Annas between the value of the proposed and the former land in No. 3 in the above Abstract, the Collector states, will be collected from the Vettyans together with the usual Kuttubady.

4. Only 38 acres 7 goontahs are proposed to be granted in exchange for the Kandrika (No. 4) shown in the above Abstract to comprise 51 acres 4 goontahs, as from the Quit-rent Registers received by the Collector from the Inam Commissioner, the latter Officer appears to have recognized only the former extent as composing the entire Inam.

5. The proposed extent entered in Column 5 of the Collector's Statement is 38 acres 3 goontahs, but this is evidently a clerical error as 38 acres 7 goontahs is the extent referred to in the Collector's remarks in the Statement, and shown in the extract from the Inam Commissioner's Register accompanying the Statement.
