SIR,

1. I have the honor to forward the copy of a letter from Captain Gib, and to request that Government will sanction the amount alluded to being paid out of the amount sanctioned for the working of the Wainád forests.

No. 195. ORDER THEREON, 12th September 1862, No. 1,950.

1. In this letter the Acting Conservator of Forests requests that sanction may be granted for the payment to Dr. Cream, a private practitioner at Manontoddy, of Rupees 132 for medical attendance on and medicines supplied to Captain Hunter of the Forest Department and his establishment from July 1861 to May 1862.

2. The Government observe that this claim is inadmissible, as the sum of Rupees 150 per mensem paid to Dr. Cream from 1st March 1861, under the Order of Government in the Public Department, dated 3rd June 1862, is "for the medical charge of all Government officials in Wainád, it being understood that this allowance is to cover the cost of medicine, European or country, and of instruments—and, indeed charges of all kinds." Mr. Cream's application† itself was for medical aid afforded to "Government officials" and had no reference to any particular Department. The Principal Inspector General of the Medical Department will therefore be requested to inform Dr. Cream clearly of the terms on which the monthly allowance is paid to him, and to acquaint him that no separate charge on account of any of the servants of Government in Wainád will be allowed.

* Vide paragraph 7 of the letter to Government of India, dated 27th March 1862, No. 389.

† Dated 26th December 1861.
