Proceedings of the Madras Government, Rèvenue Department, 12th September 1862.

No. 215. Read the following Proceedings of the Board of Revenue, dated 2nd September 1862:—

Read the following letter from Æ. R. McDONELL, Esq., Collector of Trichinopoly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, Madras, dated Trichinopoly, 17th April 1862, No. 48.

SIR,

1. As called for in Miscellaneous Circular No. 2,020, Board's Proceedings, dated the 27th of March 1862, I do myself the honor to forward a complete list of the stations in which the several Revenue Officers of this District including Deputy Collectors have now their Head Quarters.

2. Referring to queries 1, 2, 3, 4, I beg to state that at every station there are Government buildings for the use of the respective Kacheris, no buildings are rented on behalf of Government, neither does any Officer provide Kacheri accommodation and thus draw extra tentage, this special allowance is only drawn on an Officer being absent on duty from his Head Quarter station.

3. I think it not out of place here to mention that I see at Verdachellum in South Arcot, extra tent allowance was passed for the entire year, amounting to 2,000 Rupees. The building at that station where the Sub-Collector usually resides and in which all the Sub-division Kacheri are located and the records placed, belongs to me, I having purchased the same from Mr. Wood the Sub-Collector whom I succeeded. I am willing to sell my property at Verdachellum for 2,000 Rupees; Government would save by purchasing it even if priced higher than I value it, it requires now some small outlay to put the premises in good repair, it is situated on the high road from Cuddalore to Salem; it would make a good public Office for the Sub-Collector, or might be used as a public bungalow, which is much wanted at Verdachellum.

---

1. Ordered that the offer contained in the concluding part of the above letter, be submitted for the consideration of Government.

2. The Statement of the Trichinopoly stations will be embodied in the General List, which the Board are about to forward to Government.
