Proceedings of the Madras Government, Revenue Department, 13th September 1862.

No. 252. Read the following Proceedings of the Board of Revenue, dated 26th August 1862, No. 5,634:—

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Periacolum, 6th August 1862, No. 160.

SIR,

1. In reporting the death on the 27th May last, of Matuvarkulali Nacheyar, a woman on the pension list of the late deposed Zamíndár of Ramnad, I have the honor to submit that the deceased was a recipient of Rupees 40 per mensem under the sanction of Government dated the 25th January 1836. It was therein provided that on the demise of the Nacheyar, her children, who were then four in number, were to share 20 Rupees a month for their respective lives.

2. Two of the children only live now, viz, a son by name Mutuvijia Regunatha Valayada Taven, and a daughter Mangaleswari. The former, it is reported, holds some lands, and the latter is married to Puttabe Ramasami Taven also a Pensioner in receipt of Rupees 13* per mensem. It therefore rests with Government to determine whether the 20 Rupees are to be continued in the names of the surviving children; and if so, in what proportions.

* Vide Government sanction, 31st August 1847.

Ordered to be submitted to Government, with the Board's recommendation that 20 Rupees per mensem be continued in equal shares as life pensions to Mutuvijia Regunatha Valayadu Taven and Mangaleswari the surviving children of Mutuvarkulali, each share to lapse at the death of its respective recipient as originally proposed in the correspondence before Government in their Proceedings of 25th January 1836, quoted by the Collector.
