*Proceedings of the Madras Government, Revenue Department,
13th September 1862.*

No. 266. Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 1st September 1862, No. 2,898:—

SIR,

1 Copy of Proceedings of the Board of Revenue, No. 4,904, dated 29th July 1862.
1 Do. do. No. 5,483, dated 20th August 1862, with Estimate and Specification.

1. I have the honor to submit for the orders of Government the accompanying papers from the Board of Revenue, giving cover to an Estimate of Rupees 220 for the repair of the

Traveller's Bungalow at Alamparva in the Madras District.

2. The Estimate provides for shifting the tiles of the Bungalow roof, and for repairing the several out-offices belonging to the building, and although but few travellers visit the Bungalow during the year; and the estimate exceeds one-fourth of its value, yet as in the event of its being allowed to go to ruin, there will be no halting place between Sadras and Pondicherry on the Southern Coast road, the Collector is of opinion that it should be kept in good order.

3. This view of the matter is also entertained by the Board of Revenue, and under these circumstances I have to recommend that the Estimate may be sanctioned, and the District Engineer be authorized to carry it out from the General Funds placed at his disposal for expenditure during the current year.

Referred to the Revenue Department.

Secretary to Government, P. W. D.
