Proceedings of the Madras Government, Revenue Department, 15th September 1862.

No. 290. Read the following Proceedings of the Board of Revenue, dated 11th September 1862:—

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Salem, 4th September 1862, No. 199.

SIR,

1. I have the honor to submit translation of two plaints, original and supplemental in O. S. No. 677 of 1861, filed in the Moofty Sudder Amín's Court at Salem against the Collector and one Chinna Kolunda Gounden, resident of Kenjah Nackumputty in the Umalúr Division of the Salem Táluq by Murappa Gounden, resident of Poojari Putti in the above Division, and the draft of an answer proposed to be filed by me, and to request the Board will be pleased to obtain the sanction of Government for my defending the Suit at the public cost.

2. The object of this Suit is to establish the Plaintiff's right to a piece of Nunjah land, measuring acres 2-32-13 assessed at Rupees 9-14-11 and to obtain a Puttah for the same in his name.

3. With regard to the facts of the case, I beg to refer the Board to my letter of this date, No. 198. The original Defendant in this case is the same as in case No. 676 referred to in the above letter, and this land was also included in the Durkast which the original Defendant, Chinna Kolunda Gounden, presented to the Collector in December 1859. In this case the Plaintiff applied for the land in dispute to the Karkoon in the month of October 1860, and cultivated the land, as the Plaintiff in the other case did without any permission. Mr. Boalth followed the same course in this case as he did in the other and Mr. Brett on appeal set it aside.

4. The answer proposed in this case is to the same effect as in the other Suit No. 676.

5. Time for filing the answer expires on the 10th October next.

---

1. Ordered to be submitted to Government in continuation of the Board's Proceedings, dated 9th September 1862, No. — forwarding the Collector's letter relating to the O. S. No. 676, with which the present Suit is intimately connected, the original Defendant being the same party in both cases, and the land concerned being included in the same Durkhast by him, although two different individuals, the Plaintiffs in the respective Suits, cultivated two portions of the land without sanction and alike claim to retain them.

2. The facts of the cases and the form and ground of defence being alike in both cases, the Board recommend that the defence of the present Suit be sanctioned at the public expense, and the Collector authorized to file the answer as drafted by him.
