## *Proceedings of the Madras Government, Revenue Department, 7th January* 1862.

No. 34. Read the following Proceedings of the Board of Revenue, dated 28th November 1861, No. 6,607 :—

Read the following letters :—

From the Collector of Tanjore, dated 23rd October 1861, No. 352.

From the Collector of Ganjam, dated 31st October 1861, No. 291.

Letter dated 23rd October 1861, No. 352.

With reference to the Board's Proceedings of the 17th instant, No. 5,711, communicating the orders of Government relative to the Estimate submitted for the additional Establishments for the Salt Department in Ganjam and this District, I have the honor to state that in the Supplemental Budget submitted for this District, Rupees 500 have been entered for temporary Establishment under the head "Miscellaneous" Salt B, Revenue Department. This, with the sum of Rupees 300, allowed in the original Budget for the same item, will be sufficient to meet the estimated charge of Rupees 826, for which sanction is now solicited.

Letter dated 31st October 1861, No. 291.

1. With reference to the Board's Proceedings, dated 17th instant, I have the honor to state that provision has been made for the additional Establishment in the Salt Department for Fasli 1271 as shown in the margin. The amount exhibited in the Accountant General's Memorandum, dated 22nd August last, on account of the additional Establishment is, I presume, either the amount entered in the original or Supplemental Budget, but not the total of both.

| Original sanctioned. | Rs. | A. | P. |
|---|---|---|---|
| Estimate..... | 3,640 | 0 | 0 |
| Supplemental Estimate.. | 700 | 0 | 0 |
| Total... | 4,340 | 0 | 0 |

2. As regards the new Police arrangements for the Munsoorcottah Salt Pans, Mr. Robinson has not overlooked the matter, Police guards being duly provided; the Estimate is necessary because the Police have not yet taken charge of the Salt pans. It is also important to know what permanent Establishment Mr. Pelly leaves to each place of manufacture.

---

In Cons. 5th October 1861, No. 6,332.

1. Resolved that the foregoing letters be submitted to Government, with reference to their Order, dated 4th October 1861, No. 1,916. It will be seen from them that the necessary provision has been made in the Ganjam and Tanjore Budgets for 1861-62 for the additional Establishments proposed to be entertained in the Salt Department of the two Districts for Fasli 1271, for which sanction was requested.

2. The Collector of Ganjam considers that the provision made in his Estimate for guarding the re-opened Kotar at Munsoorcottah is necessary, though Mr. Robinson has made provision in his Estimate for the guards, as the new Police have not yet taken charge of the Salt pans. Under these circumstances, the Board request the sanction of Government for the estimated charges for Fasli 1271, amounting to Rupees 5,152,* as mentioned in their letter, dated 17th September 1861, No. 5,042.
