No. 307. Read again Proceedings of the Board of Revenue, dated 13th and recorded in Proceedings 21st August 1862, No. 1,772:—

Read also the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 23rd August 1862, No. 1,192.

SIR,

With reference to Government Order dated 21st August, No. 1,772, I have the honor to report that, as the revision of the Madras Sea Customs Establishment has been confirmed by the Government of India, the Rules do not admit of Somasoondra Moodely being allowed to retain his former salary of 100 Rupees per mensem as recommended by the Board of Revenue. If allowed as a special case, the sanction of the Government of India will be necessary under existing orders.

No. 308. ORDER THEREON, 16th September 1862, No. 2,006.

1. With reference to the recommendation of the Board of Revenue, contained in the above Proceedings, paragraph 4, that Somasoondra Moodely Head Writer in the Sea Customs Establishment should, as a special case, be permitted to draw 100 Rupees per mensem for six months or until the Board of Revenue are able to offer him a post of better emolument than 50 Rupees. The Officiating Civil Paymaster reports that as the revision of the Madras Sea Customs Establishment has been confirmed by the Government of India, the Rules do not admit of Somasoondra Moodely being allowed to retain his former salary of 100 Rupees per mensem, without the special sanction of the Government of India.

2. The Governor in Council does not consider that there are sufficient grounds for recommending to the Government of India that this case should be treated *specially*. Somasoondra Moodely must therefore continue to draw his present salary of 50 Rupees per mensem until such time as the Board are able to offer him a more highly paid situation.

(Signed) T. PYCROFT,
Chief Secretary.
