Dated 17. 9. 1862	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
17th September 1862.*

No. 327. Read the following letter from Major F. J. B. PRIESTLEY, Superintendent Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp Coimbatore, 6th September 1862, No. 790 :—

SIR,

I have the honor to request instructions regarding the loss of 11 Rupees under the circumstances detailed below. In the event of the Policeman from whose custody the Peon who committed the theft escaped not being considered liable for the loss, I have to solicit permission to write off the sum still deficient, viz., 11 Rupees :—

1. While Mr. Tomlinson, Assistant Superintendent, was in charge of the field operations in the Repalli Division of the Repalli Taluq and encamped in a village called Dindi on the 16th June 1862, he had occasion to send the sum of Rupees 20 to Mr. Adolphus, Head Surveyor, who was encamped in an adjoining village, Potuwerka, distant 12 miles; this money was sent by a measurer named Puta Venkataswami, who came from an Amín in Potuwerka with reports, &c.

2. A few days afterwards no receipt having been received for the Rupees 20, the Head Surveyor was written to for it, and replied that the money had never reached him.

3. In the meantime a report was received from the Amín that the abovementioned measurer had never returned to him, so on the 8th July the Deputy Superintendent, Mr. Wright, having heard that this measurer was in Guntoor sent for him to the Office and on enquiry being satisfied that he had made away with the Rupees 20 he sent him to the Tahsildár of Guntoor, with a Yadast informing him that the measurer was accused of embezzling 20 Rupees, Government property.

4. On the 16th July a Yadast from the Tahsildár was received to the effect that the measurer then a prisoner has escaped while in charge of a Police Peon.

5. The sum of 9 Rupees drawn for the abovenamed measurer for May and June last is now in the cash chest which will leave the sum of 11 Rupees still to be accounted for.

6. The Deputy Superintendent delayed his report to ascertain whether the man was apprehended again, but as yet he has eluded the enquiries of the Police.

No. 328. ORDER THEREON, 17th September 1862, No. 2,013.

The Accountant General has intimated to Government in his letter dated 7th August* 1862, No. 146, that the head "profit and loss" has, under the new system of accounts, been discontinued, and that the transactions hitherto exhibited under that head are now shown under F IX Miscellaneous. The Governor in Council therefore sanctions the 11 (eleven) Rupees alluded to in this letter, and directs the Civil Paymaster to pass it against the savings in the provision made in the Budget under the latter head.

(Signed) T. PYCROFT,
Chief Secretary.
