Proceedings of the Madras Government, Revenue Department, 18th September 1862.

No. 362. Read the following leter from Çaptain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 1st September 1862, No. 174 :—

SIR,

1. With reference to the Order of Government No. 1,812, of the 26th of August 1862, I have the honor to inform you that the Red Sanders Seed does not ripen until the end of the rainy season it will not therefore be practicable to do much towards a plantation before next rains; the probable expenditure therefore will be included in the coming Budget. The expense of course will depend upon the size of the plantation and the price of labor, but as I propose only commencing on a small scale, 200 Rupees will probably cover the first year's expenditure, if the undertaking bids fair to be successful, of which I think, there can be but little doubt, the operations can hereafter be extended.

2. Any small charges to be incurred this official year, for collecting seed, and preparing a site, &c., can be met out of the working charges, sanctioned for the Cuddapah forests.

No. 363. ORDER THEREON, 18th September 1862, No. 2,030.

The arrangements proposed in this letter are approved.

(Signed) T. PYCROFT,
Chief Secretary.
