*Proceedings of the Madras Government, Revenue Department,
22nd September 1862.*

No. 414. Read the following Petition from JAYA RAU, the Jahgirdár of Elamapoor, &c. in Rajanumpetta Tálug, in the District of Cuddapah, to His Excellency the Governor in Council, Fort Saint George, dated 1st September 1862 :—

MY LORD,

With reference to his Memorial to the address of the Right Honorable the Secretary of State for India, which by Official Memorandum of Government, dated 29th May 1862, appears to have been forwarded to the destination on the 27th of that month, your Petitioner submits herewith (in triplicate) a Supplemental Memorial to the address of the same noble authority containing certain clear and unrejectionable grounds which support his claim, laid in his first Memorial, which, it is humbly requested, may be directed to be forwarded to the same noble authority; and your Petitioner may be made known of its having been sent to the destination.

For this act of benevolence your Petitioner as in duty bound shall every pray.

No. 415. ORDER THEREON, 22nd September 1862, No. 2,056.

1. The Petitioner, Jaya Rau, is one of the holders of a Jahgir in the Cuddapah District, and his object is to obtain recognition as head of the family and sole manager of the Jahgir, on the ground of primogeniture.

2. His claims were rejected by the Board of Revenue and the Government, and he submitted a Memorial which was forwarded to England with a Despatch dated 20th May last, No. 34. The reply of the Secretary of State may therefore be looked for at an early date.

3. With the foregoing Petition he presents a further Memorial which he wishes to be taken into consideration as a supplement to his previous appeal. The Government have carefully examined it, and they find that it contains no new matter of importance. The decision of the Inám Commissioner in regard to the enjoyment of the Jahgir was forwarded to the Secretary of State in the form of an Appendix to the Commissioner's report on the original Memorial. The only new document now produced is a decision by the Head Assistant Magistrate on a charge brought by the Memorialist against his uncle and co-parcener in the Jahgir, whom he accused of forgery and tampering with the public records with a view to defeat the Memorialist's just claims. But the Memorialist was unable to produce sufficient evidence in support of this charge, and his uncle was therefore released.

4. Under these circumstances the Governor in Council sees no occasion to transmit this Supplemental Memorial to England, but he resolves to permit it to lie over for the present pending the receipt of orders from the Secretary of State on the Memorial now before him.

(Signed) P. P. HUTCHINS,

Acting Deputy Secretary to Government.
