Proceedings of the Madras Government, Revenue Department, 23rd September 1862.

No. 434. Read the following Proceedings of the Board of Revenue, dated 4th September 1862, No. 5,881 :—

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Rajahmundry, 18th August 1862, No. 143.

SIR,

1. With reference to the Board's orders No. 2,003, dated 26th March last, forwarding the Proceedings of the Madras Government of the 22nd of that month, No. 638, I have the honor to report that I communicated the decision of Government and the condition on which the same vested, to the Zamíndár. The whole of the points at issue were carefully explained, and I beg to submit translation of his reply dated 4th ultimo.

2. It will be seen that the Zamíndár consents to the arrangement propounded by Government, though he still urges a claim to the amount of charges actually incurred by the Collector of the late Masulipatam District on account of Maramut works executed up to 30th April 1856. This item amounting to Rupees 22,689-2-9 should undoubtedly be debited to the Zamíndár under the circumstances stated in paragraph 7 of my letter of the 26th June 1861, and approved by Government in the 15th paragraph and at the close of their Order under reference.

3. In the Budget for 1862-63 a sum of Rupees 1,83,000 was entered as payable to the Zamíndár. I have not yet been informed whether this sum has been sanctioned. If it has been, I presume the adjustment may at once be made, without further reference to Government.

ENCLOSURE No. 1.

From APPA ROW, to A. PURVIS, Esq., Collector of the Godavery District, dated 4th July 1862.

1. I, Naria Appa Row Bahadoor, Zamíndár of Nedadavole Táluq, Sarkar Mustufanagarva Ellur, &c., present salam. I am well here, and wish to know your welfare.

2. You were pleased to issue an Enaitnama dated 28th ultimo, No. 132, stating that as no answer has yet been received to the Enaitnama of 20th May to my address regarding the amount of profits due to me when the Government put me in possession of my Zamíndári, I should immediately send in my answer on all points.

3. I consent to all the items specified in your first Enaitnama, and request payment of the amount of the same.

4. I however request you will consider only one circumstance, *i. e.*, you are pleased to write that you will receive 77,133 Rupees on account of Tirvajasti from my profits, and allow me a part of Maramut charges, viz., Rupees 60,698-9-7. If Rupees 77,133 on account of Tirvajasti are to be received from my profits, it is just to allow me the whole amount of repairs. I therefore request you will consider on the subject, and pay the amount due to me according to your Enaitnama. Please to peruse.

(Signed) A. PURVIS, *Collector.*

1. Under the authority conveyed in paragraph 21 of the Government Order, dated 22nd March 1862, No. 638, the Board authorize the Collector to pay to the Zamíndár the sum of Rupees 1,41,222-12-0 in full of all demands against Government and against the Ryots for old arrears, and to charge the amount against the provision of Rupees 1,83,000 made for this purpose in the Budget of 1862-63 as sanctioned by the Supreme Government.

2. The Collector will take from the Zamíndár a receipt for the amount in form specifying the condition attached to the payment. The Board agree with the Collector in rejecting the claim advanced by the Zamíndár to be relieved from the charge for ordinary Maramut works during the period the Estate was in the hands of Government up to April 1856.

3. The adjustment made by Government was a liberal one, and should satisfy all reasonable expectation.

Proceedings of the Madras Government, Revenue Department, 23rd September 1862.

No. 435. ORDER THEREON, 23rd September 1862, No. 2,006.

1. The foregoing Proceedings of the Board of Revenue are approved.

2. The Collector has doubtless explained to the Zamíndár the essential distinction between the two items of Maramut expenditure. The charges with which he has been debited were actually incurred on account of ordinary repairs necessary for the maintenance of his property in a state of efficiency. The sum remitted on the other hand represents the extraordinary expenditure connected with the great Anicut system of irrigation.

[illegible] Proceedings of the Board of Revenue dated [illegible]

The Collector has submitted for the consideration of the Board the question whether the Zemindar of Nedadavole should be relieved of the charges of Maramut to which he is now liable. The answer will depend upon the fact whether the Zemindar has actually incurred any expenditure on account of repairing dykes necessary for the maintenance of the property in a state of efficiency. The Zemindar on the other hand represents the Extraordinary Expenditure connected with the Inundations of the System of Irrigation.
