Proceedings of the Madras Government, Revenue Department,
17th July 1869.

No. 377. Read the following letter from the Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 5th July 1869, No. 892-223— 7

By Government Order, dated 25th May 1859, No. 706, I am authorised to make such temporary changes in my establishments as I may find necessary, provided that the fixed rates of salary shall not be exceeded in any case, and that the total expenditure of a settlement party shall not exceed the sanction. I have now before me an application from the Officiating Deputy Director in Nellore, for permission to entertain an additional number of extra Gumastahs to accelerate the working up of the classification details for the six talooks of the principal division of the district, in which the field work has been completed. I entirely agree with Mr. Rundall that it is most desirable that the work of abstracting the classification details of these talooks should be completed as early as practicable, to allow of speedy proposals being made for the settlement, and I consider that it will be really economical to incur the expenditure; but, as the regular Settlement establishment in Nellore is maintained at its full strength, there are no funds belonging to that party available, and I am consequently precluded from sanctioning the Officiating Deputy Director's proposal under the Order above quoted. Under these circumstances, I have the honour to request permission to appropriate to settlement purposes in Nellore, a sum not exceeding Rupees 1,000 from the Surplus funds of the Salem party.
