Proceedings of the Madras Government, Revenue Department, 24th September 1862.

No. 450. Read the following Proceedings of the Board of Revenue, dated 13th September 1862, No. 6,111 :—

Read again letter from the Collector of Madras, dated 2nd August 1862, No. 271.

(In Cons. 9th August 1862, My. No. 3,290.)

Read also the following letter from the Officiating Civil Paymaster, dated 2nd September 1862, No. 1,234.

With reference to the Proceedings of the Board of Revenue, No. 5,547, dated 22nd ultimo, I have the honor to state that, as already mentioned in my Memorandum, dated 26th July last, the special sanction of Government is requisite before I can pass the bill for contingencies of the License Tax Department against the savings indicated.

With the first of the above letters the Collector forwarded a bill for the contingent charges of the License Tax Department amounting to Rupees 276-8-9, with a Memorandum from the Civil Paymaster stating that the charges can be passed against the savings from the sums entered as batta to servants and from Sadirwarid and contingencies under the head B II Assessed taxes upon the sanction of Government. As the Board were however empowered to pass such contingent charges they countersigned the bill and sent it to the Civil Paymaster, but that Officer in the letter above recorded states that the special sanction of Government is requisite before he can pass the bill. Under these circumstances the Board request that the Civil Paymaster may be authorized to pass the charge in question against the savings pointed out by him.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd August 1862.

Read the following letter from B. CUNLIFFE, Esq., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Saidapet, 2nd August 1862, No. 271:—

With reference to the accompanying copy of a Memorandum from the Officiating Civil Paymaster dated 26th instant, I have the honor to request that you will obtain the sanction of Government for the disbursement of the Contingent charges* amounting to Rupees 276-8-9 incurred in the License Tax Department since abolished.

* The Statement enclosed.

The charge can be met, partly from the unexpended portion of the pay of the License Tax Establishment, and partly from the Saderward charges of the Income Tax Department under the head BII, Assessed taxes, entered in the Supplemental Budget for 1861-62.

ENCLOSURE No. 1.

From W. J. RAYNOR, Esq., Officiating Civil Paymaster, to the Deputy Collector of Madras, dated 26th July 1862, No. 1,040.

The Contingent charges incurred on account of License tax cannot be admitted out of the unexpended pay of the Establishment; they may, however, be passed against the savings from the sums entered as Batta to servants, and from Saderward and Contingencies, under the head BII, Assessed taxes, upon the sanction of Government.

(True Copy.)

(Signed) B. CUNLIFFE, Collector.

The Board observe that the Bill for Contingent charges incurred in the License Tax Department during 1861-62 amounting to Rupees 276-8-9, should have been submitted to them for counter-signature. They now however direct that the Bill in question be passed and sent to the Civil Paymaster, the charge being met from the savings pointed out in that Officer's Memorandum dated 26th July 1862.
