Proceedings of the Madras Government, Revenue Department, 24th September 1862.

No. 456. Read the following Proceedings of the Board of Revenue, dated 17th September 1862:—

Read Proceedings of the Madras Government, dated 12th September 1862, No. 1,940.

(In Cons. 13th September 1862, No. 5,866.)

The Board conceive that under the Resolution of Government, dated 24th December 1860, No. 2,509, Revenue Department, the cost of the village Maps must be borne by the Survey Department. They are not aware of the existence of any fund from which the charge can be made good, but in estimating the charge of mapping the District for Government, this item will of course be excluded in calculating the average cost per square mile.
