Read the following letter from E. F. ELIOTT, Esq., Sub-Collector in charge of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 19th August 1862, No. 209 :—

SIR,

1: Adverting to the Proceedings of the Board of Revenue, No. 4,967, dated 31st July 1862, in which they request me to report why the records from Faslis 1267 to 1269 have not been arranged from time to time as required by Government, and who are the Officers directly responsible for this neglect of duty, I have the honor to state that an additional temporary establishment was employed in accordance with the Government Orders during the time of Mr. Taylor for two years, Faslis 1267 and 1268, and that they were assisted also with Gumáshtas from the Serishtadár's Department, who carried on the duty without the additional establishment in Fasli 1269 also. Their work consisted in arranging and sorting the records from Fasli 1254 up to Fasli 1266, and with this assistance even, only a portion of the records of those Faslis was arranged. The records of Faslis 1267 and 1268 have not been touched, but those of Fasli 1269 in the Serishta and Javabnaviss Department have been arranged by the Serishtadár's own establishment since its reduction to its present scale, and those of Fasli 1270 are under process of arrangement now by the same Department. The 2,059 Dafters of all Departments belonging to Faslis 1254 to 1269 alluded to by me, and for which the temporary establishment is applied for, are exclusive of the records arranged in Faslis 1267, 1268, and 1269, and up to the present date.

2. I am unable to state that neglect of duty is attributable to any one, as the Teloogoo Record-keeper and Serishtadár are the persons chiefly responsible for the state of the records, and the former was employed in Faslis 1267 and 1268 in supervising the additional establishment, and in 1269 and 1270 in supplying records and information required by the Survey and Settlement parties and Inám Deputy Collectors. He is moreover an old man of above 41 years' service, and 58 years of age. The present Serishtadár did not join his appointment till Fasli 1269, since when he has maintained his records in a good state.

1. Ordered to be submitted to Government, with reference to their Order, Revenue Department, No. 1,758, dated 19th August 1862.

2. The explanation appears to the Board sufficient.

No. 467. ORDER THEREON, 25th September 1862, No. 2,082.

1. With the first of these Proceedings the Board of Revenue submit and support an application from the Sub-Collector, late in charge of the Nellore District, for an extra establishment at a total cost of Rupees 2,340 for arranging the Huzúr Teloogoo Records of the District from Faslis 1254 to 1269.

2. The Governor in Council must decline to accede to this application. In their Proceedings of 29th July 1858, No. 1,061, the Government sanctioned an extra establishment at a cost of Rupees 1,236 for completing the arrangement of the Huzúr Teloogoo Records of the Nellore District up to Fasli 1266; and they positively ruled at the same time that the Records from Fasli 1267 should be arranged year by year by the ordinary establishments without any extra charge. They now find that this Order has not been attended to inasmuch as it appears from the Sub-Collector's letter of 19th August that there remain 2,059 Dafters belonging to Faslis 1254 to 1269 still to be arranged.

3. This state of things is very unsatisfactory. The Government must insist on the Records from Fasli 1267 being arranged, as directed in the Order of 29th July 1858, without any extra expense to the State, the servants if necessary being required to work extra hours, but they will not refuse their sanction to such expenditure as may really be necessary for completing the arrange-

ment of the Records prior to that Fasli. The Board will instruct the Collector to revise his application accordingly.

4. The Teloogoo Record-keeper is stated by Mr. Eliott to be of above 41 years' service and 58 years of age. The Board will consider whether under these circumstances he can be truly effective, and whether he should not be required to retire on a pension if entitled to one.
