*Proceedings of the Madras Government, Revenue Department, 19th July 1869.*

No. 414. Read the following Proceedings of the Board of Revenue, dated 2nd July 1869, No. 4,746 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 31st May 1869, No. 126.

I HAVE the honour to forward a survey and an estimate for Rupees 7,310, for constructing a district road from Almoor to Thapeswaram, *via* Mundapetta, 7 miles and 1,689 yards in length, and request sanction for the estimate.

2. The Superintending Engineer states that the estimate does not include the cost of gravelling as it is proposed to gravel the road hereafter, nor are masonry works provided for in it, for which a separate estimate will be sent to Government for sanction.

*Vide* Government Order, No. 870, 17th March 1869.

3. In the current year's Budget a sum of Rupees 5,000 is provided for expenditure on this road.

Item No. 235, Imperial Budget.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

THE estimate, amounting to Rupees 7,310, for making a road 7 miles and 1,689 yards long from the Thapeswaram aqueduct to Almoor, is submitted for the sanction of Government.

2. The work appears as Item No. 31 in the current year's Road Fund Budget.

3. The estimate is composed of the following Items :—

| | | RS. |
|---|---|---|
| 1. | Earth-work, | 3,240 |
| 2. | Turfing, | 590 |
| 3. | Land, | 3,480 |
| | | 7,310 |

4. The Board observe that the estimate is incomplete, as it does not include the cost of gravelling the road, which the Superintending Engineer says is to be done hereafter, nor the cost of the bridges, the estimate for which the same Officer states is to be forwarded separately to Government for sanction from Imperial Funds. If the Superintending Engineer means that a portion of the masonry work is chargeable to Imperial Funds with reference to Government Order, Revenue Department, 11th March 1869, No. 656, the estimate should be submitted to Government through the Collector and the Board, and the Board request that this may be done as soon as possible.
