Proceedings of the Madras Government, Revenue Department, 19th July 1869.

No. 422. Read the following Proceedings of the Board of Revenue, dated 24th June 1869, No. 4,549 :—

Read the following letter from the Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 31st May 1869, No. 11[illegible].

With reference to the accompanying correspondence* with the Superintending Engineer, 5th Division, I have the honour to request that the Board will be pleased to accord their sanction to the transfer, to the new road from Trinomallay to Tandrampett, of Rupees 1,000 from the Budget allotment of Rupees 2,000 assigned for the maintenance of the road from Trinomallay to Villapuram.

* From Head Assistant-Collector, 26th May 1869, No. 146.
From Collector to Superintending Engineer, 28th May 1869, No. 103.
From Superintending Engineer, 29th May 1869, No. 75.

2. The former road is part of that from Trinomallay to Malayanoor, the completion of which from Imperial Funds the Government, in their Order which accompanied the Board's Proceedings, dated 12th March last, No. 1,687, declined to sanction.

Enclosure No. 1.

From the Collector of South Arcot, to the Superintending Engineer, 5th Division, dated Cuddalore, 28th May 1869, No. 103.

With reference to the accompanying letter* from my Head-Assistant, I have the honour to inquire whether you will be able to provide from the Public Works allotment funds for maintaining the new road from Trinomallay to Tandrampett.

* Dated 26th May 1869, No. 146.

2. The Local Funds, as you are aware, cannot at present bear this extra expenditure.

From the Head Assistant-Collector, to the Collector of South Arcot, dated Cuddalore, 26th May 1869, No. 146.

I have the honour to report to you that no steps are being taken by the Public Works Department to repair the new road from Trinomallay to Tandrampett.

2. I directed all work to be stopped on the 10th March with a view to closing the accounts within the official year; in direct disobedience to my order, the Tahsildar has caused Rs. 84-11-0 to be expended on repairing the road, of which Rupees 22-15-4 were spent during the last official year. I discovered this last week in a hurried visit I paid to Trinomallay.

3. As it is most undesirable that the road should not be repaired, I beg that a sum of Rupees 1,000 may be placed at my disposal for keeping the road in order, up to 31st March 1870, and for extending the avenue.

4. I shall, with your concurrence, pay the sum of Rupees 61-11-8 which has been already spent during this official year, and I beg for specific instructions about paying the sum of Rupees 22-15-4, which was expended during the last official year.

5. It is, perhaps, fair that I should state that the Tahsildar's reason, which he thinks highly satisfactory for disobeying three distinct orders of mine, is that, as you were still in Chekkady, he thought it right to keep the road in good order for your return.

Proceedings of the Madras Government, Revenue Department
19th July 1869.

From the Superintending Engineer, 5th Division, to the Collector of South Arcot, dated Cuddalore, 29th May 1869, No. 75.

With reference to your letter, No. 103, of the 28th May 1869, I have the honour to inform you that I cannot provide funds from the Public Works allotment for maintaining the new District Road from Trinomallay to Tandrampett.

2. But it will be possible to transfer Rupees 1,000 from the maintenance allowance (Rupees 2,000) of the road from Trinomallay to Villapuram. If you approve of the transfer, I request that you will obtain the sanction of the Board of Revenue for it. The road can be taken charge of by this department, as there is a Local Fund Overseer at Trinomallay, who superintends the work on all the roads branching from that place.

The Board consider it necessary to assent to the transfer of Rupees 1,000 from the maintenance allowance of the road between Villapuram and Trinomallay to the road from Trinomallay to Tandrampett.

2. They accordingly resolve to request Government to sanction the transfer, which is from one minor head of the Budget to another.
