G. Anna Rio, Deputy Collector
of South America has applied to me
for a Medical Certificate to support
his application for leave of absence
from his duty, owing to indisposition.

He is now suffering from Chronic
Cough accompanied by fever and general
debility. In October last, he was
attacked by Intermittent fever, since
which he has become much reduced
in health and strength, and is daily
losing flesh. His present symptoms
of disease are the following.

Chronic Cough with expectoration and
difficulty of breathing and general febrile
condition of the body, has hot dry
skin, quick pulse, nausea and general
loss of appetite. He has become thin,
and is now considerably emaciated
and is suffering from depression of
spirits consequent on his illness. On
account of his present bad state of
health, I have granted him the
following Certificate...

J. J. A. Bean, Acting Asst
Surgeon

Surgeon of Mangalore, do hereby
 certify that Mr G. Anna Rao
 Deputy Collector of South Canara
 is in a bad state of health, and
 I solemnly and sincerely declare
 that according to the best of my
 judgment, the circumstances of
 his case are such as to render

 for the period of 3 months ab-
 -solutely necessary.
