Proceedings of the Madras Government, Revenue Department, 27th September 1862.

No. 508. Read the following Proceedings of the Board of Revenue, dated 9th September 1862, No. 6,000.

Read again the following papers :—

Tabular Statement of arrears due to an Inámdár submitted by the Collector of Tinnevelly, 5th May 1862, No. 185, in Board's Proceedings, 24th May 1862, No. 3,365.

Letter from the Collector of Tinnevelly, dated 22nd July 1862, No. 305, in Board's Proceedings 13th August 1862, No. 5,309.

Read the following Official Memorandum from the Officiating Civil Paymaster, dated 16th August 1862, No. 129.

There are sufficient savings from the Budget grant for 1861-62, from which the arrears due to the Yeomiahdár for that year can be met.

1. Ordered that the above Tabular Statement and correspondence thereon be submitted for the consideration and orders of Government.

2. The tabular Statement contains an application for the payment of Rupees 283-14-0 undrawn by a life pensioner, Streenavasa Thatha Charry, for a period extending from 12th July 1854 to 31st December 1861, or more than seven years, at the rate of 38 Rupees per annum, paid by deduction from the Kistbundy Beriz of the Tinnevelly District. The pension in question is one similar to that reported on by the Board in their recent Proceedings dated 25th August 1862, No. 5,610, being one of the subsistence allowances ordered to be limited to the lives of the present holders in Government Proceedings 19th August 1854, No. 972. As in the case already reported on, the Inámdár was ordered to be warned in 1857 that his pension would lapse if he neglected to receive a life certificate within two years ; but as he was reported to be absent at Srirangam in the Trichinopoly District, a notice to the effect of the warning was posted at his house. The Inámdár did not appear until the 1st November 1860, when he presented a petition to the Collector praying for his arrears, and explaining that he had been absent on a pilgrimage to the north. The Collector at first referred the petition for the report of the Tahsíldár, but on the statement of the Inámdár being called in question by a third party, the complaint was sent for inquiry to the Head Assistant, who made his report on the 30th August 1861, to the effect that it was not proved. The fact of Petitioner's absence had been previously established before the Tahsíldár, by the evidence of the village authorities and that of his neighbors. In reply to the Board's inquiry, the Collector added that the Inámdár had left the District without the permission of the local authorities, but that the practice of such parties applying for leave did not appear to have prevailed as a rule in the District.

3. Under these circumstances, the Board recommend that Streenavasa Thatha Charry's arrears of pension (Rupees 283-14-0) be paid to him, and that his pension be also continued. The arrears for years prior to 1861-62 do not need to be charged against the Budget provision, and the charge for the past year can be met from the Budget grant of 1861-62.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th May 1862.

Read the following Statement from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 5th May 1862, No. 185, showing the amount of arrears due to the undermentioned Inamdar paid by deduction from the Kistbundy Beriz in the District of Tinnevelly :—

No. of Certificate.	Name of the Pensioner.	Amount of Pension, &c., per annum.	Date of Government authority.	Nature of the grant.	Period for which arrears are due.	Total amount of arrears.	Explanation of the cause of suspension of payment.	Remarks of the Board of Revenue.	Orders of Government.
39	Streenevasa Thathacharry.	38 Rupees.	19th August 1854.	For subsistence.	From 12th July 1854 to 31st December 1861.	283 14 0	This is one of the subsistence allowances ordered to be limited to the lives of the present holders in Extract from Minutes of Consultation, dated 19th August 1854, communicated with the Board's Proceedings of the 7th September following. The incumbent in column 2 having been absent on a pilgrimage to the north, the allowance in question was not disbursed from the 12th July 1854. He appeared at the Huzur on the 1st November 1860 claiming the arrears, and after the institution of the necessary inquiries he has been ascertained to be the party entitled to the Inam. But as the period for which arrears remain undrawn exceeds two years, it is requested that the Board of Revenue will be pleased to obtain the sanction of Government for the payment of the arrears, viz., Rupees 283-14-0 to the Pensioner, and for continuing the disbursement of the Inam as usual.		

The Collector is referred to the Board's Order* on his similar application No. 178, dated 2nd May 1862. It is presumed that the Yeomiahdar left the District without the previous permission of the local authorities.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th August 1862.

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Tenkasy, 22nd July 1862, No. 305:—

1. With reference to the Proceedings of the Board of Revenue dated the 24th May last, No. 3,365, requesting further information regarding the arrears of Inam due to Srinivasa Thathachari, I have the honor to report as follows.

2. The Inam in question is similar to the one referred to in my letter of the 18th instant, No. 292. On the issue of orders to the Tahsildars under date the 13th October 1857 to warn the Inamdars concerned that allowances undrawn for two years would lapse to Government, a notice to that effect was stuck on the wall of the Inamdar's house, as he was then reported to be absent at Srirangam in the Trichinopoly District.

3. The Inamdar appeared in my Office and presented a Petition on the 1st November 1860, soliciting payment of the arrears, and explaining that he had been absent on a pilgrimage to the north.

4. This Petition having been referred for inquiry to the Tahsildar, he reported on the 28th January 1861 that the truth of the Petitioner's absence was established by the evidence of the village authorities, and by his neighbours, but the correctness of the Inamdar's statement having been called in question by a certain person, his complaint was referred for inquiry to the Head Assistant Collector, but was not substantiated, and the Head Assistant Collector made his report under date the 30th August 1861, on which the necessary application to the Board for disbursement of the arrears of the Inam was submitted.

5. As regards the question "whether the charge has been provided for in the Budget Estimate," I beg to refer the Board to the concluding paragraph of my letter of the 18th instant, No. 292, reporting on a similar case.

6. The Inamdar left the District without the permission of the local authorities, but the practice of applying for leave does not appear to have prevailed as a rule in the District, as regards the Inamdars of the description under report.

Forwarded to the Officiating Civil Paymaster for early report on paragraph 5 of the Collector's letter, and in continuation of Board's Proceedings 1st August 1862, No. 5,005; the reference being limited to the charge since 1861-62.
