Proceedings of the Madras Government, Revenue Department, 29th September 1862.

No. 525. Read the following Proceedings of the Madras Government in the Public Works Department, dated 31st July 1862, No. 1,829:—

Read the following Endorsement of the Acting Deputy Chief Engineer, Central Circle, dated Chepauk, 16th September 1862, No. 120.

Read the following letter from Captain R. C. BABINGTON, Acting District Engineer of Bellary, to the Deputy Chief Engineer, Central Circle, dated Bellary, 9th September 1862, No. 204.

SIR,

With reference to the Proceedings of the Madras Government No. 1,829, dated 31st July 1862, I have the honor to forward the accompanying copy of a letter from Captain Flint, No. 64, dated 6th instant, affording the necessary explanations regarding the Supplemental Estimate amounting to Rupees 53, for repairing the Deputy Collector's Kacheri at Gooty as directed therein.

From Captain J. FLINT, Acting First Assistant District Engineer, to Captain R. C. BABINGTON, Acting District Engineer of Bellary, dated Camp Anantapoor, 6th September 1862, No. 64.

SIR,

1. With reference to your Memorandum No. 471, dated 5th ultimo, forwarding the Proceedings of Government No. 1,829, dated 31st July 1862, I have the honor to inform you that the original estimate amounting to Rupees 140 was framed for putting a cornice work of brick in chunam round the outside of the Deputy Collector's Kacheri at Gooty as a substitute for the old cornice which was supported by planks laid across the beams, which projected over the walls on each side for that purpose; these planks having rotten and fallen down leaving the walls exposed to the water falling from the roof, and also for other repairs.

2. During the time the new cornice work was in progress the District Engineer inspected the work and ordered a parapet wall to be constructed round the top of the building to secure the new cornice work of brick in chunam, as without which the District Engineer was of opinion it would not stand, it being considerably heavier than the old wooden cornice work.

3. This wall was not included in the original estimate, a Supplemental Estimate amounting to Rupees 53 was therefore submitted by the District Engineer's orders, and this amount was expended in constructing the parapet wall alluded to, and was altogether a separate work from that originally sanctioned and was undertaken by the express orders of the District Engineer. As this is entirely a separate work and not included in the original Estimate, I am unable to send a Comparative Statement as called for in Proceedings of the Madras Government No. 1,829, dated 31st July 1862, but sent the report called for in paragraph 27 of Chapter V of the Public Works Code.

(A true Copy.)

(Signed) R. C. BABINGTON, Captain,
Acting District Engineer of Bellary.

1 Letter from the Acting District Engineer, Bellary, No. 204, dated 9th September 1862, with one enclosure.

Forwarded to the Secretary to Government, Department Public Works, with reference to Order No. 1,829 of the 31st July 1862.

(Signed) E. HEMERY, Captain, R. E.,
Acting Deputy Chief Engineer, Central Circle.

Referred to the Revenue Department.

Chepauk,
17*th September* 1862.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government, P. W. D.

To the Revenue Department with Proceedings Public Works Department, No. 1,829.

Proceedings of the Madras Government, Revenue Department, 29th September 1862.

Extract from the Proceedings of the Madras Government, Department Public Works, dated 31st July 1862, No. 1,829.

Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 28th July 1862, No. 49.

SIR,

I have the honor to request the sanction of Government for an expenditure of Rupees 53 for completing some repairs found necessary to the Deputy Collector's Kacheri at Gooty in the Bellary District, out of the General Repair Fund. A sum of Rupees 140 has already been expended on the building; and as this, together with the amount of the Supplemental Estimate, Rupees 53, makes a total exceeding one-fourth the value of the building (Rupees 600), it is beyond my authority to sanction the additional sum.

1 Letter from the Acting District Engineer, Bellary, No. 92, dated 27th June 1862, with one enclosure.
1 Estimate, Rupees 53.

From Captain R. C. BABINGTON, Acting District Engineer of Bellary, to the Deputy Chief Engineer, Central Circle, dated Camp Murroor, 27th June 1862, No. 92.

SIR,

With reference to your Extract of Proceedings No. 699, dated 17th May 1862, I have the honor to forward the accompanying Supplemental Estimate, amounting to Rupees 53, for completing the repairs to the Deputy Collector's Kacheri at Gooty together with copy of a letter from Captain Flint affording the explanation required in paragraph 4 of the above Extract, and I request you will be good enough to obtain the early sanction of Government for its completion.

From Captain J. FLINT, Acting First Assistant District Engineer, to Captain R. C. BABINGTON, Acting District Engineer of Bellary, dated Camp Coodair, 11th June 1862, No. 25.

SIR,

With reference to your Memorandum No. 221, dated 9th instant, and the Extract from the Proceedings of the Acting Deputy Chief Engineer No. 699, dated 17th May 1862, I have the honor to inform you that the reason of the rates for brick in chunam and plastering in the Supplemental Estimate being 1 Anna for the former and for the latter Rupees 1-12, instead of according to the data list of the Range, viz., Anna 1-10 for a cubic feet of brick-work and Rupees 2-11 per square of plastering, is that there was material available which ought to have been included in the estimate and deducted from the amount of the estimate (the proper rates being charged in the same), but by mistake the material was not included in the estimate but a lower rate charged for the work.

(A true Copy.)

(Signed) R. C. BABINGTON, Captain,
Acting District Engineer of Bellary.

The attention of the Acting Deputy Chief Engineer, Central Circle, is directed to paragraph 26 of Chapter V of the Public Works Code.

(True Extract.)

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

No. 526. ORDER THEREON, 29th September 1862, No. 2,110.

The Governor in Council approves of the execution of the repairs to the Deputy Collector's Kacheri at Ghooty referred to in Colonel Ouchterlony's letter of 28th July 1862, No. 49.

Proceedings of the Madras Government, Revenue Department, 29th September 1862.

No. 527. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to the Honorable T. PYCROFT, Chief Secretary to Government, Revenue Department, Fort Saint George, dated on circuit Coimbatore, 18th September 1862, No. 1,232/83:—

SIR,

1. I have the honor to report for the information of Government, that on the night of the 1st June last, the cash chest in the Office of the Deputy Director of Revenue Settlement at Trichinopoly was broken open, and Rupees 176-4-4 of public money stolen. Suspicion fell on one Rungasami Naikan, a Peon on the establishment, who was apprehended, and on his house being searched, a sum of Rupees 148 out of the stolen money was discovered. He was subsequently committed for trial, and being convicted was sentenced to seven years' rigorous imprisonment in addition to fine. Rupees 8 were realized by the sale of the prisoner's property under the orders of the court, in part satisfaction of the fine imposed on him, and this amount was made over to the Deputy Director in part restitution of the stolen money. Rupees 5 on account of back pay due to the Peon are in deposit, and there thus remains an unrecovered balance of Rupees 15-4-4, to write off which in the accounts of the Deputy Director, I request the sanction of Government.

2. The theft now brought to notice would have been reported earlier, had not delay occurred in communicating with the court and obtaining the amount of the fine. The occurrence took place before the orders to place the cash chests of the Settlement Department whenever possible in the custody of the Police, and alluded to in paragraph 4 of my letter of the 21st June last No. 831, were issued.

No. 528. ORDER THEREON, 29th September 1862, No. 2,111.

Sanction is accordingly granted for Rupees (15-4-4) fifteen, Annas four and Pice four. This sum will be debited to the savings in the Budget under F. IX Miscellaneous.

(Signed) T. PYCROFT,
Chief Secretary.
