made this year from the Forest Budget provision.

2. The Board do not seem to be in possession of the two further letters of the Officiating Conservator of Forests on the subject recorded in the Proceedings of Govt. of dates given in the margin. They will now be furnished with copies of these papers from which it will be observed that Major Beddome takes exception to any portion of the cost being paid from the Forest Budget. The Board will therefore be requested to report if the full amount of the estimate can be assigned from the Local Funds of the Distt.

so as to complete the road within a reasonable time. They are requested at the same time to consider whether the road in question is one which from its position has a first claim on the Local Funds of the District.
