Nos. 456-457.

Subsidiary Jail and out-buildings at Arconum.—Order approving of the plans, and sanctioning the estimates for their erection, communicated to Revenue Board.

Proceedings of the Madras Government, Judicial Department, 14th July 1869.

No. 57. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Madras, 15th June 1869, No. 1492.

I have now the honour to forward plans and estimates, amounting to Rupees 11,130, for erecting Subsidiary Jail and and buildings at Arconum, North Arcot district. The subsidiary buildings will be arranged as shown in plan B, herewith enclosed, received with G. O. in the Judicial Department accompanying order of the 17th April 1869, No. 1270, and consist of cook-shed, general and hospital latrine, hospital-shed, ryots' shed, and well.

Three plans. One estimate.

5th April 1869, No. 546.

2. The plan of the jail supersedes the one sent with my letter of the 8th March 1869, No. 5916, returned with G. O., No. 1393, of the 28th April 1869, and was prepared in accordance with the instructions conveyed in the order quoted in the last paragraph.

3. As the work was too far in progress to admit of the plan of the jail being carried out in strict accordance with the ground-plan of the building as now proposed, I have merely added on two rooms at one end of the jail, as referred to in my letter of the 8th May 1869, No. 1501, and approved in G. O., No. 835, dated 18th May 1869, Judicial Department, accompanying Order, No. 1791, dated 1st instant, Public Works Department. The veranda also was built to assimilate the building with the design of the jail wards in the standard plan of a Deputy Tahsildar's Court-house, and must now be continued round the two new rooms, though in Mr. Chisholm's revised plan there are no verandas shown. The police can be located either in one of these new rooms, which are twenty feet in length, or in one of the rooms sixteen feet in length, intended for male prisoners.

4. Revised plans and estimates for a Head Assistant Collector's Cutcherry at Arconum will be put in hand at once.

Referred to the Judicial Department, with reference to the undermentioned orders in that Department:—

The plans of the Subsidiary Jail and out-buildings at Arconum, in the district of North Arcot, submitted by the Superintending Engineer, 4th Division, with his letter above recorded, are approved, and sanction is granted for the estimated outlay of Rupees 11,130.

2. The plans and estimates will be returned to the Public Works Department, with a view to orders being issued in that Department, when funds are available, for the completion of the jail and out-buildings referred to.
