THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT, (*Public*).

SIR,

Miscellaneous.

Letter from the Inspector-General, Indian Medical Department, dated 3rd June, 1869, No. 218, with one from the Government Quinologist, dated 24th May, 1869.
Proceedings of Government, dated 12th July, 1869, No. 2,007.

WITH reference to your letter, dated 12th February, 1869, No. 814, I am directed to forward copies of the papers noted in the margin, relating to the proposed appointment of a Chinchona Alkaloid Manufacturer.

2. I am to add that this Government concur in the views of the Government of India, that the appointment of Chinchona Alkaloid Manufacturers in other provinces would be premature, until the results of the experiment now carried on under this Government are known. They, however, fully agree with Dr. Ewart in considering that a general investigation of the vegetable kingdom in this country, in view to the discovery of valuable medicinal products, is highly desirable, and that much may be done in this direction by employing the Quinologist in such investigations whenever a Chinchona Alkaloid Manufactory may be established.

I have the honour to be,
Sir,
Your most obedient servant,
(Signed) R. A. DALYELL,
Acting Secretary to Government.
