Proceedings of the Madras Government, Revenue Department, 21st July 1869.

Read the following papers:—

No. 485. Proceedings of the Board of Revenue, dated 15th June 1869, No. 4,261.

Read the following letter from the Collector of North Arcot, to the Sub-Secretary to the Board of Revenue, dated Palmanair, 27th May 1869, No. 153.

The Managing Committee of the Anglo-Vernacular School, recently opened at Arconum, have applied for a small plot of ground measuring 41 acres for the purpose of building a suitable School-house on it. They request that this plot may be made over to them free of charge. As this school owes its existence to the enlightened efforts of some of the principal residents of the place, and has been favourably reported on by the Deputy Inspector of schools, I beg to recommend that the ground now applied for by the Committee be made over to them rent-free under a Freehold Title-deed. The Committee represent, that until they are provided with such a Title-deed, they are unable to submit their plan and estimate to the Director of Public Instruction in support of an application for a Government grant-in-aid.

2. The fee-simple of the ground at twenty-five years' purchase of the rent being Rupees 5 per acre, amounts to Rupees 51-4-0.

Submitted for the favourable consideration of Government.

No. 486. Official Memorandum from the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 6th July 1869, No. 707.

With reference to memorandum, dated 2nd July 1869, No. 92, the undersigned has the honour to inform the Acting Secretary to Government, Revenue Department, the "41 acres" is a misprint in the Board's Proceedings of 15th June 1869, No. 4,261. The 41 should have had, as in the original, a decimal point before it.

(By Order,)

Acting Secretary.

No. 487. Order thereon, 21st July 1869, No. 2,127.

Miscellaneous.

In their Proceedings above recorded the Board of Revenue support the recommendation of the Collector of North Arcot that a small spot of ground at Arconum be made over to the Managers of a school established there, "rent-free under a Freehold Title-deed," preparatory to their submitting a plan and estimate of an appropriate building, and applying for a grant-in-aid for it from Government. But the Director of Public Instruction suggested in his letter, dated 22nd December 1868, No. 2,891, paragraph 11, that when practicable, land be granted for school buildings on the condition that if applied to any other use, it will revert to Government. The object of this arrangement is to render unnecessary any

formal agreement arising out of the grant-in-aid that may be made for the erection of the building. The Government have also considered it expedient in a similar case to impose a nominal rent on the land in token of their rights over it.

Proceedings Revenue Department, dated 23rd February 1865, No. 405.

2. Under these circumstances, the Government sanction the grant of land, namely, ·41 acre, for the Arconum Anglo-Vernacular School on the terms above specified. The Collector will fix the nominal quit-rent, and report its amount for the information of Government.

3. Mr. Robinson should also see that the design of the proposed building is suitable to the new town that is being established at Arconum.
