*Proceedings of the Madras Government, Revenue Department,
3rd October 1862.*

No. 30. Read the following Proceedings of the Board of Revenue, dated 11th September 1862, No. 6,074:—

Read the following Proceedings of Government, dated 19th August 1862, No. 1,754.
(In Cons. 20th August 1862, No. 5,265.)

1. The Board are of opinion that there is ample work for a Sub-Magistrate of the 2nd Class in the Town of Salem. The return of work performed by Mr. Boalth as Deputy Magistrate of Salem gave no correct idea of the Magisterial work exclusively belonging to the Town, as it appears from paragraph 2 of the Collector's letter dated 30th May 1862, No. 118, that Mr. Boalth was not placed in entire Magisterial charge of the Town until the 5th April 1862. Up to this date, all the cases that a Sub-Magistrate of the 2nd Class was competent to dispose of, were taken up either by the Tahsildár of the Salem Taluq, or by his Sarishtadár.

2. The Board feel quite assured of the expediency of relieving these Officers of all Magisterial work connected with the Town, considering that the new Salem Taluq is made up of three old Taluqs, and is so large that unless the Tahsildár and his Sarishtadár are allowed to give most of their time to Revenue duties, it is impossible that the Revenue administration of the Taluq can be properly conducted. The Deputy Collector in charge of the Treasury should be made available for such Magisterial work as would properly devolve on a Magisterial Officer above the grade of Sub-Magistrate of the 2nd Class; and all such work as it is not expedient to occupy his time with, such as the numerous petty cases which must continually arise in so large a Town as Salem with a population of 30,000 inhabitants, should agreeably to the general practice be disposed of by a Sub-Magistrate of the 2nd Class appointed for the purpose.

3. The Board see no objection to the proposed arrangement of placing Mr. Boalth in charge of the Salem Treasury, and removing Appasawmy Mudali to Malabar to relieve C. Canaren of his general duties, in order that the latter may specially devote his time to the settlement of the Betutnaad and other Escheats for which he is well qualified. It is of the highest importance that these Escheats should be early settled. Tact and delicacy are required in disposing of the claims of Government in the Betutnaad, especially where the accounts are imperfect, and but few means of obtaining reliable information; and the arrangement proposed, which will set free a specially qualified Officer for the task, will therefore be of the greatest advantage.

4. The Board observe that the Deputy Collector at present in charge of the Salem Treasury is Durmaroyar Mudali, who is Acting for Appasawmy Mudali, the latter having been sent in November 1861 in consequence of ill-health at Salem to officiate at Trichinopoly.
