No. 35. Read the following letter from ARTHUR LASCELLES, Esq., Agent and Manager, India Freehold Land Association, to J. D. SIM, Esq., Secretary to Government, dated Ootacamund, 24th September 1862 :—

DEAR SIR,

Would you do me the favor of soliciting from His Excellency the Governor that I may be allowed to purchase ten or a dozen Chinchona plants at once independent of the supply which is promised next season. I have European propagators and a good propagating house with every advantage for the cultivation, and as a Company for which I am Agent wish to engage largely in the cultivation directly a supply of plants can be relied upon, it is of considerable importance to us that we should ourselves engage in the propagation. If my request is granted, I should wish to have plants of the species, Succirubra, Nijida, Micrantha, and Purpurata.

No. 36. ORDER THEREON, 4th October 1862, No. 2,138.

Mr. McIvor is authorized to supply the plants applied for in this letter, on payment.
