Proceedings of the Madras Government, Revenue Department, 8th October 1862.

No. 97. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to the Honorable T. PYCROFT, Chief Secretary to Government, dated Madras, 4th September 1862, No. 5,896 :—

SIR,

I am directed by the Board of Revenue, with reference to paragraph 3 of their Proceedings, dated 21th March 1862, No. 1,937, to submit the following Statement of Salt sales in the second quarter of the current year 1862. Compared with the sales for the same period of the previous year 1861, it will be seen that there is a large falling off in Ganjam and the Kistna District. In the former it is ascribed to the newly imposed tolls on Salt in the Nagpore or Central Provinces, and in the latter to the increase in the price and to reduced sales. In Nellore though there appears an increase of Indian Maunds 39,655 in the sales of the second quarter of 1862, still there is a large falling off in the sales of the whole Fasli 1271, when compared with those of the previous Fasli 1270. This is chiefly attributable to the enhanced price.
