*Proceedings of the Madras Government, Revenue Department,
9th October 1862.*

No. 115. Read the following letter from Captain J. MITCHELL, Officer in charge of the Government Central Museum, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 25th September 1862, No. 76:—

SIR,

1. I have the honor to acknowledge the receipt of Government Order dated 23rd September 1862, No. 2,069.

2. I am exceedingly loath to give any Department of the service unnecessary trouble, and I would not now trouble you were it not that I consider that justice to myself demands that I should show I am not deserving of the censure implied in the remarks contained in the

2nd paragraph of Colonel McGoun's letter to your address, and I have, therefore, the honor to report that when my Peon presented the Abstract for payment* he was told that when he puts a stamp upon it, it would be passed, and that he must put another stamp upon the cheque. I have just now questioned him again and he adheres to his statement; when I was told this I said it must be a mistake, and sent the cheque for payment without a stamp; it was returned unpaid, and I considered the only course open to me was to appeal to Government.

3. I may be permitted to add that I have still to furnish four stamps for each month's pay in consequence of my pay being drawn in four Abstracts, and I beg respectfully to ask if this be the intention of the Supreme Government.

No. 116. ORDER THEREON, 9th October 1862, No. 2,178.

With reference to the last paragraph of the foregoing letter there seems no reason for exempting Captain Mitchell from the general requisition of the law, that every receipt for salary above 20 Rupees should be impressed with an Anna stamp. His case is in some degree an

exceptional one, his pay being drawn in four separate Departments, but a proposal has recently* been made

to the Supreme Government for his relief from the charge of the Mounted Police and for the partial consolidation of his salary. There must be some other Officers similarly situated, and after all the deduction on account of stamps is too trifling to warrant any deviation from the general rule.

Acting Deputy Secretary to Government.
