*Proceedings of the Madras Government, Revenue Department,  
9th October 1862.*

No. 121. Read the following Proceedings of the Board of Revenue, dated 29th September 1862 :—

Read again letter from the Collector of Malabar, dated 2nd September 1862, No. 181.  
(In Cons. 6th September 1862, No. 5,674.)

Read also the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Lakadi, 15th September 1862, No. 192.

SIR,

In reply to the Board's Proceedings dated 8th instant, I have the honor to state that the proportion of duty levied on Pepper exported from British Cochin payable to the Travancore and Cochin Sircars, has been determined, with reference to the place\* of produce of the Pepper, as given by merchants in their Darkasts or applications for permission to ship the article.

\* Travancore or Cochin.

1. Ordered that the above papers be submitted to Government for their orders.
2. The Board would suggest that general instructions be laid down in this matter to obviate the necessity for frequent references.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*

No. 122. ORDER THEREON, 9th October 1862, No. 2,181.

1. Under Act III of 1861 the disbursement of Rupees 215-8-4 to the Government of Travancore and Cochin, in the proportion marginally indicated, is sanctioned.

2. The Act provides for the levy of an export duty on Pepper at the British Port of Cochin, and for the payment of the amount collected to the abovementioned States at the close of each calendar year; or as soon after as may be convenient. In this case the Collector seeks authority for the disbursement in the middle of the year, and he has omitted to mention in what period the levy of the sum reported has been effected. In other respects the course now followed is authorized for general adoption. The Collector will submit at the close of each calendar year a statement of the collections made during the year, specifying the proportion due to each State, and explaining the principle or data upon which the proportion has been adjusted.

3. A reference will be made to the Resident through the Political Department as to whether there is any objection to the principle of partition adopted on this occasion.

*Acting Deputy Secretary to Government.*
