*Proceedings of the Madras Government, Revenue Department,
10th October 1862.*

No. 133. Read the following letter from C. W READE, Esq., Collector of South Arcot, to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated Tindevanum, 30th September 1862, No. 39 :—

SIR,

1. Teruvengada Achary my Deputy Collector in charge of the Treasury has addressed to me a letter of which the accompanying is a copy. Consequent on former experience of the climate of Coimbatore an exchange from that District to some other is all that is sought by Teruvengada Achary, and I feel that so reasonable a request will meet with the favorable consideration of Government without the necessity for any recommendatory letter from me.

2. The revised Revenue Settlement of the important Taluq of Chellambram was entrusted by Mr. Newill to Teruvengada Achary, and the work itself has been completed by him in the past Fasli year, but the intricate and elaborate accounts connected with that Settlement although in a forward state, are not yet completed, and if his services might be spared so long, I would suggest the expediency of Teruvengada Achary being allowed to remain in the District until this work, on which another could hardly enter save under very great difficulties, is fully finished. I think two months' time would suffice to do what is required, and I solicit the orders of Government in support of my requisition. After the period I have mentioned, Teruvengada Achary would be prepared to proceed to join any District other than Coimbatore to which meanwhile the Government may think proper to nominate him. I think it only due to this Officer to bear my testimony to his zeal and ability in the performance of all duties that have devolved upon him since I assumed charge of the South Arcot District.

From C. TERUVENCATACHARY, Deputy Collector, South Arcot, to C. W. READE, Esq.,
Collector of South Arcot, dated 29th September 1862.

SIR,

1. I have the honor to acknowledge the receipt of Government Order transferring me to Coimbatore, and respectfully beg to state my readiness to obey them; but before doing so I feel it my duty to bring to the notice of Government as they could not have been aware of it, the fact of my having been once before in the District for a very short time where I suffered severely from the effects of the climate. During my short stay in the District, I was attacked, to say nothing of the other members of my family, with jungle fever and was laid up in despair of life for months and months. I feel sure therefore my going back to the District would certainly tend to injure my health and subject me to all its attendant misfortunes, and am afraid I shall have to share the same fate as my other members of the family.

2. Having been born and brought up in a coast climate I feel sure that my going to an inland one would directly affect my health, which is already impaired from former sickness as well as from recent travels with the Settlement Department.

3. I am willing to serve the Government, but my services will be more useful in a climate which would agree to my health.

4. If the Government do not consider it proper to leave me alone where they were pleased to send me I would earnestly and respectfully beg them to send me back to Chingleput whence I was ordered here for Settlement business, or at all events to any of the other contiguous Districts, such as Tanjore, Trichinopoly, Nellore, North Arcot. In the last I may mention that I have a few acres of ancestral property.

5. Under these circumstances I most respectfully and earnestly request you will be good enough to submit my humble prayer with your recommendation for the favorable consideration and orders of Government, for which act of kindness I will be always thankful.

No. 134.

ORDER THEREON, 10th October 1862, No. 2,187.

1. The Collector of South Arcot forwards for the favorable consideration of Government a letter from the Deputy Collector in charge of his Treasury, representing, with reference to the recent order transferring him to Coimbatore, that a previous experience of the climate of that District leads him to dread a repetition of the trial, and soliciting his appointment instead to Chingleput, or one of the contiguous Districts on the sea coast.

2. Mr. Reade supports this application by stating that the revised Settlement accounts of the Chellambram Taluq have not yet been brought to completion, and he suggests the expediency of allowing Teruvenkata Chary to remain in South Arcot for a further period of two months to finish them.

3. The Governor in Council is unable to make any change in his arrangements at present, and he is surprised that Teruvenkata Chary's services should still be required in connection with the late Settlement. Abundant time has been allowed for the preparation of the accounts, and for Mr. Reade to make himself acquainted with the details and operation of the new system.

4. Under these circumstances Teruvenkata Chary must proceed at once to take up his duties in the Coimbatore District, but His Excellency in Council will be prepared to transfer him to another District when an opportunity offers itself.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
