SIR,

1. I have the honor to submit herewith an estimate amounting to Rupees 1,580 for constructing two small Custom Houses in the Vizagapatam District, one at Poodimadake and one at Pentacotta, buildings which are admitted by all the authorities (*Vide* Proceedings of the Board of Revenue No. 4,994, under date 31st July 1862,) to be greatly needed.

2. I do not however think it would be expedient, under existing circumstances, to allot money now for this purpose from the General Funds of the District; and I therefore beg leave to recommend that the estimate may be passed for entry in the Budget of 1863-64 only; all the money to be provided for expenditure during that official year.

Referred to the Revenue Department for consideration.
