Proceedings of the Madras Government, Revenue Department, 11th October 1862.

No. 159. Read the following Proceedings of the Board of Revenue, dated 29th September 1862, No. 6,540:—

Read the following letter from J. FRASER, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Chittoor, 2nd September 1862, No. 187.

SIR,

1. I have the honor, with reference to the Proceedings of the Board dated 28th July last, No. 4,889, to report that no Office accommodation is available at Narrayanavanam for the Deputy Collector.

2. I would take this opportunity to suggest that the head quarters of the Deputy Collector should be transferred to Karkumbady in the Chendragheri Táluq, which is also under the charge of the Deputy Collector. I make this recommendation for the following reasons: Karkumbady is a Railway as well as a Post Office Station, easily accessible from all parts of the Zamíndáris. The mails take three days to reach Narrayanavanam from Chittoor, whilst they would go to Karkumbady in a day. At Karkumbady there is a Travellers' Bungalow which will soon be useless as such from the extension of the North-West Railway. This building can therefore be appropriated for the accommodation of the Office of the Deputy Collector.

3. Should the Government however consider it necessary that the Deputy Collector should reside within the Zamíndári, I would prefer to have the head quarters of the Deputy Collector at Poothoor, which is more central for his whole charge than Narrayanavanam. At Poothoor likewise there is a Travellers' Bungalow, which will soon fall into disuse as the Railway goes up to Cuddapah. Poothoor is also a Railway Station.

---

1. Ordered to be submitted for the orders of Government, with reference to their Proceedings dated 24th July 1862, No. 1,593.

2. The Acting Collector reports that there is no Office accommodation for the Deputy Collector at Narrayanavanam, and recommends that Karkumbady be fixed as his head quarter station. In the opinion of the Board, Mr. Fraser shows sound reasons for making this recommendation. It would seem that Karkumbady, though not situated within the Zamíndári, is more accessible to the people resident there than Narrayanavanam, which at present forms the Deputy Collector's head quarters. The Board therefore support Mr. Fraser's proposal.

I make this recommendation for the following reasons. Karcumbady is a railway as well as a post office station, easily accessible from all parts of the Zemindaries. The mails take three days to reach Naranavanam from Chittoor, whilst they would go to Karcumbady in a day. At Karcumbady there is a Travellers' Bungalow which will soon be useless as such from the extension of the North West Railway.
