No. 229 Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, Southern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 6th October 1862, No. 97:—

SIR,

1 Letter from the District Engineer, No. 133, dated 14th August 1862.
1 Do from Collector, No. 78, dated 28th July 1862.
1 Abstract Estimate Rupees 620.

1. The sanction of Government is requested to the accompanying Estimate, amounting to Rupees 620 for repairing the Sea Custom House at Tranquebar, Tanjore District; the amount to be allotted out of the Repair Fund of the District.

2. Although the appraised registered value of the building is stated to be only Rupees 517, Captain Mullins mentions that the addition of the amount of repairs executed to it in 1860 (Rupees 521) would increase it; and he further remarks that Captain Hunter on a former occasion valued it at Rupees 1,568-9-0.

3. The Acting Collector in approving of the repairs now proposed, points out that it would probably cost eight times the amount of the present Estimate to erect a new building.

Referred to the Revenue Department.
