Proceedings of the Madras Government, Revenue Department, 21st October 1862.

No. 247. Read the following Proceedings of the Board of Revenue, dated 6th October 1862, No. 6,693 :—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Ootacamund, 17th September 1862, No. 196.

SIR,

1. I have the honor to forward a Statement of actual charges incurred on account of Sadirwarid in the Revenue and Magisterial Departments in this District for Fasli 1271, and to request that the special sanction of Government may be obtained for Rupees 417-7-10, being the amount spent over and above the sanctioned standard.

2. The causes which led to this increased expenditure are the same as those assigned in my predecessor's letter of 22nd November 1861, No. 248, viz., the change of circumstances since the original estimate was sanctioned in 1850, and the consequent necessity for the use of a large quantity of paper, as well as the high price for lamp oil.

3. The charges for stationery for the preparation of village accounts as per Village Manual, are not included in the Statement now submitted, inasmuch as a separate estimate was sanctioned in the Government Order of the 12th February 1862, No. 278, for Rupees 1,350, within which sum the actual charges were defrayed, and for which a Bill will be sent to the Civil Paymaster for audit.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the increase and decrease of the Sadirwarid charges incurred during Fasli 1271 in the District of Coimbatore.

---

1. Ordered to be submitted to Government with the Board's recommendation that the excess Sadirwarid charge of Rupees 417-7-10 incurred in the Coimbatore District for Fasli 1271, above the standard estimate be sanctioned.

2. The excess sanctioned in Fasli 1270 was Rupees 217-5-0, and the increased charge incurred in Fasli 1271 was almost entirely in the Táluqs.

3. The Collector is requested to instruct his subordinate Officers to exercise economy in their expenditure, and should it be necessary to submit an application similar to the present for Fasli 1272, he will accompany it with a Statement of the actual cost of *each article* compared with the amount allowed in the standard estimate.
